Questions:

1. As I questioned yesterday the total number for Group I 12,586? Looking at the hours, it states Mon thru Thurs 5:00 PM till 12:00 AM a total of 7 hours X 2 = 14 hours for 4 days. Although it states 7 days, Friday was left out?

   On Sat & Sun the time is also from 5:00 PM till 12:00 AM at total of 7 hours X 3 = 21 hours 2 days.

   The total hours per year based on the time requested amount to the following: 98 hours per week minus Friday for a total of 5096 hours per year.

   Please advise.
