

HOUSING AND COMMUNITY DEVELOPMENT CORPORATION OF HAWAII

Pet Ownership Policy for Federal Public Housing Projects

- A. Tenants of federal public housing under Section 31 of the United States Housing Act of 1937 may own and keep common household pets, if the resident maintains each pet responsibly, in accordance with applicable State and local public health, animal control and animal anti-cruelty laws and regulations, and policies established in the Public Housing Agency Plan, in certain designated projects/apartments owned and/or operated by the Housing and Community Development Corporation of Hawaii, hereafter referred to as HCDCH. HCDCH shall bear full responsibility of enforcing the pet policy, including but not limited to providing any notification to a pet owner, removal of the pet or termination of the Tenant's tenancy or both.
- B. Each housing project having pets shall have the resident association and/or a project pet committee, which will consist of both residents who own a pet and those who do not own a pet, to participate in a pet monitoring program. The association or pet committee will assist the project management in monitoring the pet policy in their respective projects. Any violation of the pet policy and/or sighting of any stray animals within the boundaries of the housing project will be immediately reported to the housing project management staff.
- C. A Tenant may have multiple animals, but not in the same category (i.e., only one dog or cat, a bird (One small or medium sized bird or two small birds – parakeet size), and an aquarium.
- D. Definition: "Pets" mean the following domesticated, common household animals, and no others: cats, dogs, birds, fish. Only one four-legged furry, warm bodied pet per household will be permitted. The weight of a dog or cat shall not exceed 25 pounds (adult size). One small or medium sized bird or two small birds (parakeet size) may be kept. Only one aquarium, which shall not exceed 25 gallons, may be kept. Dogs and cats must be spayed or neutered. This definition does not include animals that are used to assist the disabled.
- E. Application. Prior to housing any pet on premises owned and/or operated by the HCDCH, a tenant shall apply to HCDCH for a permit to do so. The application must be accompanied by the following:
1. A full pet deposit of \$75.00 (per household) or an amount equal to Total Tenant Payment, whichever is lower. This deposit is refundable within 14 working days after the Tenant disposes of the pet or vacates and if HCDCH verifies that there are no expenses directly attributable to the presence of the pet. However, for expenses exceeding the deposited amount, the household shall be responsible to reimburse HCDCH for those costs. In addition to the pet deposit, each tenant owning a dog or cat will be charged a non-refundable fee of \$5.00 per month (per household). This non-refundable pet fee will cover reasonable operating costs expended by the HCDCH associated to the maintenance of the housing project's common use areas relating to the presence of pets. The pet fee will be included as a separate item on tenant's monthly housing rental bill.

2. A current dog license issued by the appropriate authority.
 3. Signed veterinarians' statement verifying that the animal is in good health, has no communicable diseases or pests, and, in the case of cats and dogs, is spayed or neutered.
 4. Evidence that the dog or cat has received all current inoculations or boosters required by state and county laws and regulations must be provided.
 5. A signed affidavit from an alternate custodian who will take temporary custody of the pet from the premises for period of time not to exceed 10 days when the Tenant is to be away overnight or longer and will assume all the responsibilities of the pet owner in caring for the pet. In addition, the alternate custodian must be available to take temporary custody of the pet from the premises within twelve hours after any emergency causing the owner not to be able to care for the animal.
 6. A signed statement from the Tenant acknowledging that he/she has received and read the Pet Rules and agrees to comply with them and accept any and all financial and personal liability associated with the personal pet ownership in the housing project.
 7. HCDCH may request a letter of reference on the pet from a previous landlord.
 8. If the pet is a dog or cat, the Management, resident association, and/or pet committee must interview the owner and pet.
 9. A color picture of the pet, except for fish, must be provided both at the time of application and when the pet reaches adult size.
- F. Approval of Pet Application. Once all of the applicable conditions for application for pet ownership permit have been met, HCDCH shall make a decision on the resident's application within five working days. If approved, the resident will be informed in writing and an anniversary date (Month and Day Only) will be established for purposes of the annual update of the pet ownership permit. It is the responsibility of the resident to re-validate the pet ownership permit within 30 days after the anniversary date. Failure to re-validate the pet ownership permit shall result in the removal of the pet or termination of the Tenant's tenancy or both.
- G. Refusal of Pet Application. HCDCH may refuse, subject to HCDCH's grievance procedure, to approve a pet application due to the following reasons:
1. The animal does not meet the definition of pet.
 2. Tenant fails to provide complete application information required by the Pet Ownership Policy.
 3. Management determines that the Tenant will not be able to keep the pet in compliance with the Pet Rules and other Rental Agreement obligations, including such factors as pet's temperament and size and tenant's habits and practices.

 4. No pet may be kept in violation of state law, or local ordinances with respect to humane treatment or health.
 5. If pets are left unattended for a period of twenty-four (24) hours or longer, the Management may enter the dwelling unit to remove the pet. J. Animals That Assist the Disabled.

1. These Pet Rules do not apply to animals that are used to assist the disabled. However, a disabled tenant must still comply with the pet policy for the elderly or disabled.
2. To determine that an animal is excluded from these Pet Policies, a disabled tenant must provide a written certification of his/her disability from a licensed medical doctor on a form provided by the HCDCH verifying that:
 - a. The animal is trained to assist persons with the specific disability.
 - b. The animal actually assists the disabled individual.

- K. Violation of these rules may be grounds for removal of the pet or termination of the Tenant's tenancy or both. Termination will be in accordance with procedures set forth in the Rental Agreement and State law.
