INTRODUCTION
Chapter 2 ELIGIBILITY FOR ADMISSION

[24 CFR 960.201]

This Chapter defines both HUD's and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the qualifications of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

A. QUALIFICATION FOR ADMISSION

It is the PHA's policy to admit qualified applicants only. An applicant is qualified if he or she meets the following criteria:

- Is a family as defined in this Chapter;
- Heads a household where at least one member of the household is either a citizen or eligible non-citizen. (24 CFR Part 200 and Part 5, Subpart E);
- Has an Annual Income at the time of admission that does not exceed the low income limits for occupancy established by HUD and posted separately in the PHA offices;
  - The Quality Housing and Work Responsibility Act of 1998 authorizes PHAs to admit families whose income does not exceed the low-income limit (80% of median area income) once the PHA has met the annual 40% targeted income requirement of extremely low-income families (families whose income does not exceed 30% of median area income).
- Provides a Social Security number for all family members, age 6 or older, or will provide written certification that they do not have Social Security numbers;
- Meets or exceeds the tenant Selection and Suitability Criteria as set forth in this policy including the attendance and successful completion of the PHA's pre-occupancy class;
- Not have an outstanding debt owed to the PHA as a participant in any of its programs;
- Not have an outstanding liability for unpaid rent or damages incurred while previously participating in any Section 8 rental subsidy program;
- Not have been evicted since March 1, 1985 from a public housing program administered by the PHA or its predecessor, the Hawaii Housing Authority;
- Not have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;
• Not subject to lifetime registration requirements under any state sex offender’s registration program.

**Timing for the Verification of Qualifying Factors**

The qualifying factors of eligibility, other than citizenship status, will be verified before the family is placed on the waiting list.

**B. FAMILY COMPOSITION**

**Definition of Family**

The applicant must qualify as a Family. A Family may be a single person or a group of persons. A group of persons is defined by the PHA as two or more persons who intend to share residency whose income and resources are available to meet the family's needs, and will live together in PHA housing.

Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

1. A single person, who may be an elderly person, displaced person, disabled person, near-elderly person, or any other single person; or
2. A group of persons residing together, and such group includes, but is not limited to:
   (i) A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family) Family may include foster children and hanai children, or a child who is domiciled with, and for whom an adult member of the current household is caring for with written or unwritten permission from the legal parent or other person having legal custody, or child domiciled with, and for whom an adult member of the current household is in the process of securing custody;
   (ii) An elderly family;
   (iii) A near-elderly family;
   (iv) A disabled family;
   (v) A displaced family; and
   (vi) The remaining member of a tenant family.

In addition, for categorizing family as defined above, the terms disabled family, elderly family, and near-elderly family (per 24 CFR 5.403), and sexual orientation, and gender identity (per 24 CFR 100) are defined by HUD as follows:

**Disabled family** means a family whose head (including co-head), spouse, or sole member is a person with a disability. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.

**Elderly family** means a family whose head (including co-head), spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with
one or more live-in aides.

_Near-elderly family_ means a family whose head (including co-head), spouse, or sole member is a person who is at least 50 years of age but below the age of 62; or two or more persons, who are at least 50 years of age but below the age of 62, living together; or one or more persons who are at least 50 years of age but below the age of 62, living with one or more live-in aides.

_Sexual orientation_ means homosexuality, heterosexuality, or bisexuality.

_Gender identity_ means actual or perceived gender-related characteristics.

_Person with disabilities_ is defined in 24 CFR 5.403.

The temporary absence of a child from the home due to placement in foster care shall not be considered in determining the family composition and family size.

**Occupancy by Police Officers**

In order to provide an increased sense of security for public housing residents, the PHA may allow public housing units to be occupied by police officers.

Police officers will not be required to be income eligible to qualify for admission to the PHA’s public housing program.

**Head of Household**

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Emancipated minors who qualify under State law will be recognized as head of household if there is a court order recognizing them as an emancipated minor.

A family may designate an elderly or disabled family member as head of household solely to qualify the family as an Elderly Family, provided that the person is at least partially responsible for paying the rent.

**Spouse of Head**

Spouse means the husband or wife of the head.

For proper application of the Non Citizens Rule, the definition of spouse is: the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

**Co-head**

An individual in the household who is equally responsible for the lease with the Head of
Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

**Live-In Attendants**

A family may include a live-in aide provided that such live-in aide:

- Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,
- Is not obligated for the support of the person(s), and
- Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program:

- Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.
- Live-in aides are not subject to Non-Citizen Rule requirements.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A Live-in Aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50-61) or disabled.

Verification of the need for a live-in aide must include the hours the care will be provided.

The PHA has the right to disapprove a request for a live-in aide based on the "Other Eligibility Criteria" described in this Chapter.

**Over Income Families**

The PHA will rent units to over-income families on a month-to-month basis, if there are no eligible families applying for assistance that month.

Over-income families must agree to vacate the unit with at least 30 days’ notice provided by the PHA, if the unit is needed for an income-eligible family.

The PHA will publish a 30-day notice if the PHA determines the need to house over-income families.
B. **MANDATORY SOCIAL SECURITY NUMBERS** [24 CFR 5.216]

Families are required to provide verification of Social Security Numbers for all family members age 6 and older prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of social security numbers is grounds for denial of admission or termination of tenancy.

If a member does not have a Social Security Number they must sign a certification stating that they do not have one. The certification shall:

- state the individual's name, state that the individual has not been issued a Social Security Number;
- state that the individual will disclose the Social Security Number, if they obtain one at a later date;
- be signed and dated.

C. **CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS**

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

**Mixed Families.** A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed". Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

**No eligible members.** Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

**Non-citizen students** defined by HUD in the non-citizen regulations are not eligible for assistance.

The PHA will establish and verify eligibility no later than the date of the family’s annual reexamination following October 21, 1998.

No individual or family applying for financial assistance may receive such financial assistance prior to the affirmative establishment and verification of eligibility of at least one individual or family member.

D. **OTHER ELIGIBILITY CRITERIA**

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and
sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and previous one year past behaviors up the ability:

- to pay rent and other charges as required by the lease in a timely manner;
- to care for and avoid damaging the unit and common areas;
- to use facilities, appliances and equipment in a reasonable way;
- to create no health or safety hazards, and to report maintenance needs in a timely manner;
- not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;
- not to engage in criminal activity or alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity on or off the PHA premises;
- not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed" or "ice";
- to comply with necessary and reasonable rules and program requirements of HUD and the PHA; and
- to comply with local health and safety codes.

**Denial of Admission for Previous Debts to This or Any Other PHA**

Previous outstanding debts to this PHA or any PHA resulting from a previous tenancy in the public housing or Section 8 program must be paid in full prior to acceptance of application for admission. No Payment Agreement will be accepted.

At the time of initial application, the applicant must pay any previous debt prior to being placed on the waiting list.

Either spouse is responsible for the entire debt incurred as a previous PHA tenant. Children of the head or spouse who had incurred a debt to the PHA will not be held responsible for the parent's previous debt.

**E. ONE STRIKE POLICY**

**Denial of Admission for Drug-Related and/or Other Criminal Activity**

**Purpose**

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of the PHA to fully endorse and implement a policy which is designed to:
Help create and maintain a safe and drug-free community;

- Keep our program participants free from threats to their personal and family safety;
- Support parental efforts to instill values of personal responsibility and hard work;
- Help maintain an environment where children can live safely, learn and grow up to be productive citizens; and
- Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

**Administration**

All screening procedures shall be administered fairly and in such a way as not to discriminate on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial status, handicap or disability or HIV infection, actual or perceived gender identity, sexual orientation, or marital status, and not to violate right to privacy.

To the maximum extent possible, the PHA will involve other community and governmental entities in the promotion and enforcement of this policy.

This policy will be posted on the PHA's bulletin board and copies made readily available to applicants and tenants upon request.

**HUD Definitions**

"Drug related criminal activity" is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Drug related criminal activity means *on or off the* premises, *not just on or near the* premises.

"Criminal activity" includes any criminal activity that threatens the health, safety or right to peaceful enjoyment of the resident's public housing premises by other residents or employees of the PHA.

**Screening for "One Strike"**

In an effort to prevent drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or the right to peaceful enjoyment of the premises by other residents, the PHA will endeavor to screen applicants as thoroughly and fairly as possible.

If in the past the PHA initiated a lease termination, which may or may not have resulted in eviction for any reason cited under the One Strike Notice, for a family, as a prior resident of public housing, the PHA shall have the discretion to consider all circumstances of the case regarding the extent of participation by non-involved family members.

The PHA will not be obligated to ferret out information concerning a family's criminal activities as part of the processing of an application for assistance. Initial screening will be limited to routine inquiries of the family and any other information provided to the PHA regarding this matter. The inquiries will be standardized and directed to all applicants by inclusion in the application form.
If as a result of the standardized inquiry, or the receipt of a verifiable referral, there is indication that the family or any family member is engaged in drug-related criminal or violent criminal activity, the PHA will conduct closer inquiry to determine whether the family should be denied admission.

If the screening indicates that any family member has been arrested or convicted within the prior two (2) years for drug-related or violent criminal activity, the PHA shall obtain verification through police/court records.

**Law Enforcement Records**

The PHA will check criminal history for all applicants who are 18 years old and over to determine whether any member of the family has engaged in violent or drug-related criminal activity.

Verification of any past activity will be done prior to final eligibility and will include a check of conviction records.

The PHA has applied to the Federal Bureau of Investigation (FBI) and obtained a unique Originating Agency Identifier (ORI) number in order to maximize its efforts in obtaining applicant criminal record history.

The PHA has contracted with the Criminal Justice Center, an FBI approved channeling agent, to process and funnel requests in order to obtain National Crime Information Center (NCIC) data for the purpose of accessing FBI criminal records.

The PHA will do a name check only through its local law enforcement agency to access limited information from the NCIC.

The PHA acknowledges that a name check only may result in an inconclusive result without a positive fingerprint comparison. The results of an inconclusive name check will not be used to deny an applicant admission to housing.

If the channeling agency indicates to the PHA that there is a criminal history record indexed in the Interstate Identification Index which might belong to the applicant, the PHA must submit an applicant fingerprint card to the FBI through the appropriate channel in order to verify whether the criminal record is in fact the applicant's. Should the applicant instead elect to withdraw their application, no further action will be necessary.

**Standard for Violation**

Persons evicted from public housing, Indian housing, Section 23, or any Section 8 program because of drug-related criminal activity are ineligible for admission to Public Housing.

No member of the applicant's family may have engaged in drug related or violent criminal activity within the past two (2) years.

The PHA will permanently deny admission to public housing persons convicted of manufacturing or producing methamphetamine on the premises of the assisted housing project in violation of any Federal or State law. "Premises" is defined as the building or complex in
which the dwelling unit is located, including common areas and grounds.

The PHA will deny participation in the program to applicants where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the PHA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a *pattern* if there is more than one incident during the previous twelve (12) months.

"Engaged in or engaging in or recent history of" drug related criminal activity means any act within the past two (2) years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

"Engaged in or engaging in or recent history of" criminal activity means any act within the past two (2) years by applicants or participants, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the public housing premises by other residents or employees of the HA, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

In evaluating evidence of negative past behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

The PHA will waive the requirement regarding drug-related criminal activity if:

- The person demonstrates successful completion of a credible rehabilitation program approved by the PHA, or
- The individual involved in drug-related criminal activity is no longer in the household because the person is incarcerated.

The PHA may permit eligibility for occupancy and impose conditions that the involved family member(s) does not reside in the unit. The PHA will consider evidence that the person is no longer in the household such as divorce decree, incarceration, death, copy of a new lease with the owner's telephone number and address or other substantiating evidence.

**Other criminal activity**

"Other criminal activity" means a history of criminal activity involving crimes of actual or threatened violence to persons or property, or a history of other criminal acts, conduct or behavior which would adversely affect the health, safety, or welfare of other residents, employees or agents of Management, visitors, or persons doing work on the premises at Management's request.
For the purposes of this policy, this is construed to mean that a member of the current family has been arrested or convicted of any criminal or drug-related criminal activity within the past twenty four (24) months.

HUD defines violent criminal activity as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member.

- No family member may have threatened abusive or violent behavior toward PHA personnel at any time.
- No family member may have engaged in or threatened or committed abusive or violent behavior toward other residents, PHA personnel, agents of Management, visitors, or persons doing work on the premises at Management's request within the past three years.
- No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program in the last two (2) years.

Evidence

The PHA must have evidence of the violation.

"Preponderance of evidence" is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred.

- Preponderance of evidence is not be determined by the number of witnesses, but by the greater weight of all evidence.

"Credible evidence" may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants, evidence gathered by PHA inspectors and/or investigators, and evidence gathered from the PHA Hotline.

The PHA may pursue fact-finding efforts as needed to obtain credible evidence.

Obtaining Information From Drug Abuse Treatment Centers

The PHA will inquire of all applicants whether they are currently using or in the past have ever engaged in the illegal use of a controlled substance.

The PHA will inquire of all applicants who respond in the affirmative whether they are currently receiving treatment or have ever received treatment at a drug abuse treatment facility.

All applicants who respond in the affirmative will be required to sign a written consent authorizing the PHA to receive information from the drug abuse treatment facility stating only whether the facility has reasonable cause to believe that the applicant is currently engaging in the illegal use of a controlled substance.
The authorization will be sent to the drug abuse treatment facility with a PHA postage paid return addressed envelope addressed to the attention of the Public Housing Manager.

The PHA will maintain such information received from a drug abuse treatment facility in a manner that respects its confidentiality.

Such confidential information will be reviewed by the Public Housing Manager who will make a decision as to the outcome of the review.

Such confidential information will not be misused or improperly disseminated and will be destroyed not later than 5 days after the date on which the PHA gives final approval for admission.

If the application is denied, the information will be destroyed within three hundred fifty two (352) days following the date on which the statute of limitations for commencement of a civil action from the applicant based upon the denial of admission has expired.

**Confidentiality of Criminal Records**

The PHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.

All criminal reports, while needed by the Public Housing Manager for screening for criminal behavior, will be housed in a locked file with access restricted to individuals responsible for such screening.

Misuse of the above information by any employee will be grounds for termination of employment. Penalties for misuse are contained in Personnel Policies.

If the family is determined eligible for initial or continued assistance, the PHA's copy of the criminal report shall be shredded as soon as the information is no longer needed for eligibility or continued assistance determination.

If the family's assistance is denied or terminated, the criminal record information shall be shredded immediately upon completion of the review or hearing procedures and a final decision has been made.

The PHA will document in the family's file that the family was denied admission or the tenancy was terminated due to findings in the Criminal History Report

**Disclosure of Criminal Records to Family**

Before the PHA takes any adverse action based on a criminal conviction record, the applicant will be provided with a copy of the criminal record and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal hearing. Tenants may contest such records at the court hearing in the case of evictions.
**Hearings**

(See Chapter titled "Complaints, Grievances and Appeals")

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, s/he shall be given an opportunity for an informal hearing according to the PHA's hearing procedures outlined in the Chapter on Complaints, Grievances and Appeals.

**F. SCREENING FOR SUITABILITY** [24 CFR 960.204, 960.205]

In developing its admission policies, the aim of the PHA is to attain a tenant body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the PHA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The PHA will conduct a detailed interview of all applicants. The interview form will contain questions designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers will be subject to third party verification.

An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition or rent will result in denial of admission.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of the lease, either all or with assistance which they can demonstrate that they have or will have at the time of admission. (24 CFR 8.2 Definition: Qualified Individual with Handicaps) The availability of assistance is subject to verification by the PHA.

The PHA's minimum age for admission as head of household is 18, to avoid entering into leases which would not be valid or enforceable under applicable law.

The PHA does not permit a parent or legal guardian to co-sign the lease on the applicant's behalf if the head of household is under 18.

As a part of the final eligibility determination, the PHA will screen each applicant household to assess their suitability as renters.

The PHA will complete a rental history check on all applicants.

The PHA shall rely upon sources of information which may include, but not be limited to, PHA records, personal interviews with the applicant or tenant, interviews with previous landlords, employers, family social workers, parole officers, criminal and court records, clinics, physicians or the police department, and home visits for persons who have had negative landlord reference(s) for poor housekeeping habits.

This will be done in order to determine whether the individual attributes, prior conduct, and behavior of a particular applicant is likely to interfere with other tenants in such a manner as to
diminish their enjoyment of the premises by adversely affecting their health, safety or welfare.

The PHA will complete a home visit at the current residence of all applicants who have had landlord verifications returned to the PHA with unfavorable comments concerning their housekeeping habits. Applicants shall have at least two working days advance written notice of home visits.

Factors to be considered in the screening are housekeeping habits, rent paying habits, prior history as a tenant, criminal records, the ability of the applicant to maintain the responsibilities of tenancy, and whether the conduct of the applicant in present or prior housing has been such that admission to the program would adversely affect the health, safety or welfare of other residents, or the physical environment, or the financial stability of the project.

The PHA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

- The applicant's past performance in meeting financial obligations especially rent.
- Eviction or a record of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences which may adversely affect the health, safety, or welfare of other tenants or neighbors.
- Any history of criminal activity on the part of any applicant family member involving criminal acts, including drug-related criminal activity.
- Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors.
- Any history of initiating threats or behaving in a manner indicating an intent to assault employees or other tenants.
- Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.
- The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the PHA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

- Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare. [24CFR 960.205(b)]
- Adversely affect the physical environment or financial stability of the project. [24CFR 960.205(b)]
• Violate the terms and conditions of the lease.
• Require services from PHA staff that would alter the fundamental nature of the PHA's program.

Rent Paying Habits

The PHA will examine any Housing Authority records from a prior tenancy, and will request written references from the applicant's current landlord and may request written references from former landlords for up to the past two (2) years.

Based upon these verifications, the PHA will determine if the applicant was chronically late with rent payments, was evicted at any time during the past two (2) years for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Applicants will not be considered to have a poor credit history if they had a poor rent paying history clearly related to an excessive rent relative to their income (using 50% of their gross income as a guide,) and responsible efforts were made by the family to resolve the nonpayment problem.

The lack of credit history will not disqualify a family, but a poor credit history will, with the exceptions noted above.

Where past rent paying ability cannot be documented, the PHA will check with the utility company(s) to determine whether the family has been current and timely on their payments.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified would indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the PHA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the PHA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The PHA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.
Examples of Mitigating Circumstances

- Evidence of successful rehabilitation;
- Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service approved by the PHA;
- Evidence of successful and sustained modification of previous disqualifying behavior.
- Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The PHA will consider such circumstances in light of:
  - The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and
  - The applicant's overall performance with respect to all the screening requirements.

Qualified and Unqualified Applicants

Information which has been verified by the PHA will be analyzed and a determination will be made with respect to:

- The eligibility of the applicant as a family;
- The eligibility of the applicant with respect to income limits for admission;
- The eligibility of the applicant with respect to citizenship or eligible immigration status;
- Preference category (if any) to which the family is entitled.

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both INS and PHA procedures, except for a pending PHA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The PHA shall provide applicants an opportunity for an informal hearing (see Chapter titled "Complaints, Grievances, and Appeals.")

Applicants who have requested a reasonable accommodation as a person with a disability and who have been determined eligible, but fail to meet the Applicant Selection Criteria, will be offered an opportunity for a second meeting to have their cases examined to determine whether mitigating circumstances or reasonable accommodations will make it possible for them to be housed in accordance with the screening procedures.

The PHA will make every effort to accurately estimate an approximate date of occupancy. However, the date given by the PHA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon
factors not directly controlled by the PHA, such as turnover rates, and market demands as they affect bedroom sizes and project location.

**Documenting Findings**

An authorized representative of the PHA shall document any pertinent information received relative to the following:

- **Criminal Activity** - includes the activities listed in the definition of criminal activity in this Chapter.
- **Pattern of Violent Behavior** - includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.
- **Pattern of Drug Use** - includes a determination by the PHA that the applicant has exhibited a pattern of illegal use of a controlled substance which might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- **Drug Related Criminal Activity** - includes a determination by the PHA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.
- **Pattern of Alcohol Abuse** - includes a determination by the PHA that the applicant's pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.
- **Initiating Threats** - or behaving in a manner indicating an intent to assault employees or other tenants.

**Resident Participation in the Screening Process**

It is the PHA 's policy to encourage resident participation in the applicant intake and screening process. The PHA recognizes that screening is only part of the occupancy cycle, and for the PHA-resident partnership to be effective, work is required both before and after admission. Given this policy the PHA, in conjunction with its resident leaders, proposes the following areas of involvement:
- **Orientation for families in shelters.** The objective is to introduce shelter families to the PHA's screening requirements so that families with poor tenancy histories or no tenancy history can take actions to demonstrate that they meet PHA's criteria for admission.

- **Home visits.** To work with residents to establish home visit inspection standards. To train residents on the standards and use residents along with the PHA staff to conduct home visits.

- **Applicant pre-occupancy orientation.** Attendance at pre-occupancy orientation is a requirement of the screening process. The PHA and its residents will develop the agenda for this orientation to include such issues as rent, house rules, lease provisions, security, social services and utilities.

G. **HEARINGS**

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, s/he shall be given an opportunity for an informal hearing according to the PHA's hearing procedures outlined in Chapter 13, Complaints, Grievances and Appeals.
