

Hawaii Public Housing Authority (HPHA)

We invite highly motivated individuals to make a difference in the lives of others, by joining the team that manages Hawaii's Public Housing Properties.

EXEMPT ADMINISTRATIVE POSITIONS

❖ PROJECT ENGINEER

The HPHA's Construction Management Branch is seeking a Project Engineer to manage major capital improvement projects for Federal and State Public Housing developments statewide. As a Project Engineer, the incumbent will be responsible for managing several design and construction projects, ensuring that they are completed within budget and time frames, funding deadlines, and in accordance with federal and/or state rules and regulations. This position will plan projects, prepare cost estimates, manage design, and construction progress, change proposal and progress payment requests, maintain cost data records, wage and hour certification, accessibility compliance, review complex engineering designs, manage and administer multiple design construction contacts and projects for the HPHA.

Salary Range:

\$5,833.33 - \$6,666.67 Monthly

\$70,000.00 – \$80,000.00 Annually

Minimum Qualification Requirements:

Education: Graduation from an accredited college or university with a Bachelor's degree in Architecture, Landscape Architecture, Building Construction or Engineering.

Substitution: Excess work experience as described below which provided knowledge, skills and abilities comparable to those acquired in four years of successful study while completing a college or university curriculum leading to a baccalaureate degree may be substituted for Education on a year-for-year basis. To be acceptable, the experience must have been of such scope, level and quality as to assure the possession of comparable knowledge, skills and abilities.

Experience: Three (3) years of experience in the planning, design and construction of projects as a project coordinator, project manager. or contracting officer is preferred.

Quality of Experience: Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

❖ HOUSING DEVELOPMENT SPECIALIST

This position will be responsible for providing assistance in all phases of housing development, to include, location of housing sites, preparation of feasibility studies for the site, master plan preparation, processing the required governmental applications and permits, construction of housing units, and coordination with Property Management and Maintenance Services Branch and the Office of the Executive Director.

❖ **HOUSING DEVELOPMENT SPECIALIST (continued)**

Salary Range:

\$5,373 - \$6,535 Monthly

\$64,476.00 - \$78,420.00 Annually

Minimum Qualification Requirements:

Education: Graduation from an accredited four (4) year college or university with a bachelor's degree and major preferably in business administration, finance, real estate, engineering, or architecture.

Substitution: In lieu of education, work experience may be substituted. For work experience to qualify in lieu of education, the applicant's overall applicable work experience must have similar scope and responsibility as to conclusively demonstrate that he/she has the ability to perform the duties and responsibilities for which he/she is being considered; e.g. must possess the knowledge, skills, and abilities.

Experience: One (1) year of experience in infrastructure and/or property/housing development, such as project management or coordination; construction management; construction superintendent; project and/or warranty inspection; property management; and real estate and/or property/housing development.

❖ **LANDLORD LIAISON**

The Section 8 Subsidy Program is seeking a Landlord Liaison to maintain and develop housing provider relationship in promoting retention and performing market outreach for the housing assistance programs; engage with community landlords and property owners as effective partners to preserve and expand the quality and quantity of available affordable housing options. This position will be responsible in identifying property owners, property managers, service providers and management companies who are willing to provide housing for the voucher program applicants and participants and perform outreach, briefings, and group meetings; conducts housing market research and maintain data on available rental housing units.

Salary Range:

\$4,413.00 - \$4,777.00 Monthly

\$52,956.00 – \$57,324.00 Annually

Minimum Qualification Requirements:

Education: Graduation from a (4) year college/university or commensurate knowledge and/or experience.

Experience: Three (3) years of work experience in the field of social services, case management, counseling, housing, program implementation, community relations or services programs or related field with at least working with diverse low-income populations.

❖ **PROPERTY MANAGEMENT SPECIALIST**

The Property Management & Maintenance Services Branch is seeking a Property Management Specialist. This position is primarily responsible for analyzing proposals for the management of rental properties. This position monitors property management agreements to ensure all terms and agreements are met and executed in accordance to rules and regulations. This position also coordinates and/or conducts special inspections, resolves complaints and conducts tenant file reviews to verify compliance with State and Federal regulations for housing programs eligibility.

❖ **PROPERTY MANAGEMENT SPECIALIST (Continued)**

Salary Range:

\$4,413.00 - \$4,777.00 Monthly

\$52,956.00 – \$57,324.00 Annually

Minimum Qualification Requirements:

Education: Graduation from an accredited four (4) year college or university with a bachelor's degree.

Experience: Minimum two (2) years of specialized experience in property evaluation, operation of residential and/or commercial properties, including efficient utilization and maintenance of real property which includes property evaluation, preparation of management proposals, solicitation of tenants, planning and execution of protection and maintenance of buildings and grounds. Experience in property inspection (HUD Real Estate Assessment) is required.

❖ **RESIDENT SERVICES PROGRAM SPECIALIST**

The Property Management & Maintenance Services Branch is seeking a Resident Services Program Specialist. This position is responsible for overseeing and planning, contracting, collaboration and/or directing support services programs such as safety and crime prevention, case management, counseling, resident councils, social and economic self-sufficiency activities. In addition, this position works directly with the branch manager, public housing managers and public housing associations on tenant program services.

Salary Range:

\$4,413.00 - \$4,777.00 Monthly

\$52,956.00 – \$57,324.00 Annually

Minimum Qualification Requirements:

Education: Graduation from an accredited four (4) year college or university with a bachelor's degree.

Substitution: In lieu of education, work experience may be substituted. For work experience to qualify in lieu of education, the applicant's overall applicable work experience must have a similar scope and responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the positions for which he/she is being considered; e.g. must possess the knowledge, skills and abilities.

Experience: One (1) year of specialized experience which included the evaluation and integration of data to develop alternatives to meet goals and objectives; responsibility for budget review; initiating correspondence and program policy.

Required License: Valid Class 3, Hawaii State Driver License or equivalent.

❖ **HPHA SYSTEMS ANALYST IV**

The Hawaii Public Housing Authority (HPHA) is seeking a highly motivated, innovative and qualified individual that welcomes challenges and be part of the Information Technology Office (ITO). The ITO is responsible for the overall administration, planning, direction, management, development and maintenance of all information technology systems and processing for the HPHA.

❖ **HPHA SYSTEMS ANALYST IV (Continued)**

The HPHA System Analyst IV will have responsibility to provide overall technical support for the Hawaii Public Housing Authority. This position is responsible for system implementation as well as ancillary system development and enhancement. It also is responsible to provide network, office automation, and telecommunication support.

Salary Range:

\$4,413 - \$5,167 Monthly

\$52,956 - \$62,004 Annually

Minimum Qualification Requirements:

Education: Bachelor's degree from an accredited college or university or relevant substitution(s).

Substitution: In lieu of education, work experience may be substituted. For work experience to qualify in lieu of education, the applicant's overall applicable work experience must have a similar scope and responsibility as to conclusively demonstrate that he/she has the ability to perform the duties and responsibilities for which he/she is being considered; e.g. must possess the knowledge, skills, and abilities. Excess experience of the type and quality described above may be substituted for education on a year-for-year basis.

Experience: Two and half (2-1/2) years of progressively responsible technical experience which involved a variety of hardware, software and transmission media that enable connectivity between computers over LANs/WANs.

Physical Requirements: May need to lift up to 50 lbs.

Note: These aforementioned positions are exempt non-civil service and are on continuous recruitment until filled. HPHA is an equal opportunity employer. We offer competitive compensation package with added benefits with the State of Hawaii. Salary range is commensurate with training and experience.
