

**"SECTION 3"
JOB OPPORTUNITY
HELP WANTED FOR
MANA'O CONSTRUCTION, LLC**

**HPHA JOB NO. 12-034-127-S, Site & Dwelling Improvements to Hale Laulima
Contract No. CMS 15-01**

03/01/2017

Ten (4) LABORER

2 years of experience with interior demolition, and all hazardous materials handling.

RESPONSIBILITIES FOR THIS POSTION ARE:

Must be able to lift up to 80 pounds. This position requires the following:

Bending, squatting, crawling, climbing, reaching, kneeling and stooping.

It also requires the use of tools such as sledge hammers, scrapers, O'o bars, pry bars, screw guns, reciprocating saws, and includes but it not limited to:

pushing, pulling and dumping heavy debris bins, cutting metal, drywall, wood and concrete, climbing ladders and working overhead from scaffolding.

Must have completed and passed the 40 Hour AHERA Asbestos Contractor/Supervisor Training Course.

Must have completed and passed the Two day EPA Accredited Lead Worker Initial Training Course.

Must have both of these trainings documented by State of Hawaii Heath Dept. and be issued the appropriate cards to confirm.

Must have valid State ID or Driver's License, and pass a Pre-Employment Drug and Physical medical examination. (Due to the nature of Hazardous Materials Abatement a lead and respirator fit medical exam is needed)

Must be able to follow instructions from Supervisors and Safety Personnel.

PLEASE APPLY IN PERSON AT: (Interview & job history)
