RECOGNIZES AND HONORS THE HAWAII PUBLIC HOUSING AUTHORITY AND ITS DEDICATED EMPLOYEES

The Legislature takes great pride in recognizing outstanding organizations and its employees in our community who have made a positive difference in many lives and contributed to the health and well-being of people in the State of Hawaii through their dedication of time, talent, and resources and, by their example, leave a lasting legacy to the community. The winners of the HAWAII PUBLIC HOUSING AUTHORITY 2013 EMPLOYEE AWARDS are honored for their steadfast commitment to serving others and for contributing to the success of individuals and families in the community.

As the sole public housing agency for the State of Hawaii, the mission of the Hawaii Public Housing Authority is to help provide Hawaii residents with affordable housing and shelter without discrimination. The Hawaii Public Housing Authority fulfills this mission every day and administers over 6,000 State and Federal public housing units on five islands, and 2,000 rental assistance vouchers on the island of Oahu.

On November 6, 2013, the Hawaii Public Housing Authority will celebrate and recognize their outstanding employees at the 2013 Employee Awards Ceremony and take that time to honor our hard working and truly deserving public servants that have delivered exemplary service and worked tirelessly for the past year to assist Hawaii's low-income families with housing assistance.

Our dedicated public servants with 10, 20 and 30 years of dedicated state service will receive certificates, and some awards that will be distributed are the Ha'aheo – Pride in Public Service award, the Exemplary Performance award, the Sustained Superior Performance award, the Director's award, the Chairman's award and the Governor's award.

The Senate of the Twenty-Seventh Legislature of the State of Hawaii hereby congratulates and expresses gratitude to the Hawaii Public Housing Authority, its Director Hakim Ouansafi, its staff and all of the award winners, and extends its warmest Aloha and best wishes to them for success in all future endeavors.
