The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. All bids offering terms and conditions contradictory to those included in this IFB may be rejected without further notice.
A bid may be automatically rejected if it is:

1. **Unreasonable in Price:** A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced:** A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions may be determined non-responsive.

The HPHA reserves the right to reject bid offers in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

See Attachment 2. The unit bid price shall be inclusive of all administrative and personnel costs, applicable taxes, and any other costs incurred in the performance of the contracted services. A bidder shall submit a bid price for all services and complete the Bid Offer Form in its entirety to be considered responsive and eligible for award. The award of a contract shall not be deemed as a commitment on the part of the HPHA to automatically exercise any option period; and

2. In the case of a tie, an award shall be made to the current service provider provided that it is one of the tied bidders and whose performance under the current contract indicates that the current service provider is responsible. If the current service provider is not a tied bidder, an award shall be determined by the flip of a coin or some other random means of selection.
The Contract awarded resulting from this solicitation is subject to the approval of the Department of the Attorney General and other approvals as required by the statutes, regulations, rules, orders or other directives.

No work shall be undertaken by the Successful Bidder prior to the Contract start date of July 16, 2020. The HPHA shall not be liable for any work, Contract costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the start of the Contract.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with applicable rules and statutes. The Successful Bidder receiving an award shall be required to enter into a formal written contract with the HPHA. The General Conditions of the resulting Contract are attached and service specifications are included herein. See Attachments 10 and 11.

XX. Protests

An actual or prospective bidder may protest the solicitation or award of services only for a serious violation of procurement policies and operational procedures. Only the following matters may be protested:

1. A state purchasing agency’s failure to follow procedures established by chapter 103D, HRS;

Pursuant to section 103D-701, HRS, an actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. A protest shall be submitted in writing within five (5) business days after the aggrieved person knows or should have known of the facts giving rise thereto; provided that a protest of an award or proposed award shall be submitted within five (5) business days after the posting of award of the Contract. The Notice of Protest shall be mailed by USPS or hand delivered to the Head of the State Contracting Agency conducting the protested procurement and the Procurement Officer who is conducting the procurement. Delivery services other than USPS shall be considered hand deliveries and considered submitted on the date of actual receipt by the State Contracting Office.
Any notice to award resulting from this solicitation shall be posted on the Procurement Reporting System on the State Procurement Office website: http://www.hawaii.gov/spo2/source/.

XXI. Availability of Funds

All bidders and the Successful Bidder are hereby notified that the award of a Contract and any subsequent Contract renewal or extension are subject to allotments made by the Director of Finance, State of Hawaii, pursuant to chapter 37, HRS, and are subject to the availability and allocation of State and/or Federal funds. The HPHA shall retain the authority to cancel an award and/or not exercise the option periods due to the lack of available funds.

Nothing in this IFB shall be construed to obligate the State of Hawaii or the HPHA to pay for the services at federal public housing properties with State funds.

XXII. Monitoring and Evaluation

The Successful Bidder’s performance of the Contract will be monitored and evaluated by the Officer-in-Charge and the HPHA Contract Administrator or their designated representative(s). The HPHA shall provide the Successful Bidder with a copy of monitoring reports for their information and to take corrective action as appropriate.

Failure to comply with all material terms of the Contract may be cause for suspension or termination as provided in the General Conditions. The Successful Bidder may be required to submit additional written reports, including a corrective action plan, in response to monitoring conducted by the HPHA. These additional reports shall not be considered a change to the Scope of Work of the Contract and shall continue for the duration of time as deemed necessary by the HPHA.

XXIII. General and Special Conditions of Contract

The State General Conditions, AG-008 103D General Conditions are attached for bidder’s information and reference. See Attachment 10. The State General Conditions may be found on the SPO website at www.spo.hawaii.gov.
The Federal General Conditions, Form HUD 5370-C is provided for bidder’s information and reference. See Attachment 11.

The State and Federal General Conditions shall be incorporated into the Contract with the Successful Bidder. In the event of a conflict between the State and Federal General Conditions, the more restrictive shall apply.

The HPHA may also impose contractually any necessary special conditions deemed necessary. See Attachment 9. In the case of a conflict between the Special Conditions and the General Conditions, the Special Conditions shall apply.

The HPHA reserves the right to make modifications to the scope of work and or reporting requirements arising from unforeseeable conditions.

**XXIV. Cost Principles**

The HPHA shall utilize standard cost principles in section 3-123, HAR, which are available on the State Procurement Office website. Nothing in this section shall be construed to create an exemption from any cost principle arising under the Federal and State laws.

**XXV. Campaign Contributions by State and County Contractors Prohibited**

If awarded a Contract in response to this solicitation, the Successful Bidder agrees to comply with section 11-355, HRS, which states that campaign contributions are prohibited from a State and County government Contractor during the term of the Contract if the Contractor is paid with funds appropriated by the legislative body between the execution of the Contract through the completion of the Contract

As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder's

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

Prior to award of a Contract, bidders shall submit the following documents with their bid offer to the HPHA to demonstrate compliance with Federal and State laws:

a. Tax Clearance, Form A-16;

b. Department of Labor and Industrial Relations, Application for Certification of Compliance, Form LIR #27; and

Instead of separately applying for these paper certificates at the various State and Federal agencies, the HPHA recommends that bidders use the Hawaii Compliance Express (HCE), which allows business to register online through a simple wizard interface at:

http://vendors.ehawaii.gov/hce/splash/welcome.html

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a "Certificate of Vendor Compliance" with current compliance status as of the issuance date, accepted for both contracting purposes and final payment.
Bidders electing to use the HCE services will be required to pay an annual subscription fee of $12.00 to the HIC.

5. Indemnification

</tr>
</tbody>
</table>

A certificate of insurance evidencing such insurance is required prior to commencement of services. The insurance policy required by the Contract shall contain the following clause:
"The State of Hawaii, the Hawaii Public Housing Authority, its elected and appointed officials, officers, and employees shall be named as additional insured, except for Professional Liability Insurance and Workers Compensation Insurance, with respect to operations performed for the State of Hawaii and HPHA under this Contract."

The minimum insurance required shall be in full compliance throughout the entire term of the Contract, including all Supplemental Contracts.

To satisfy the minimum coverage limits required by the Contract, the Successful Bidder may use an umbrella policy in addition to the mandatory insurance policies (i.e., General liability Insurance, Automobile Insurance, and Workers Compensation) provided that the HPHA approves, and the umbrella policy follows the underlying coverage forms.

Notwithstanding said policy or policies of insurance, the Successful Bidder shall be obliged for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with the Contract.

The HPHA is a self-insured State agency. The Successful Bidder’s insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of and shall not contribute with insurance provided by the Successful Bidder.
The Successful Bidder will immediately provide written notice to the contracting department or agency should any of the insurance policies evidenced on its Certificate of Insurance form be cancelled, limited in scope, or not renewed upon expiration.
