Verbal answers provided by the HPHA are not binding and only intended as general guidance purposes. Formal written responses to substantive questions will be provided to each registered interested bidder as set forth in Section VI below. All changes to the IFB will be issued as an addendum to the IFB.

Prior to submittal of the bid, interested bidders may visit the property to thoroughly familiarize themselves with existing conditions. No additional compensation shall be allowed by reason of any misunderstanding or error regarding the conditions/layout or work to be performed at the properties.

VI. Submission of Questions

Interested bidders may submit written questions to the IFB Coordinator identified
in Section III of this IFB. The deadline for submission of written questions is Wednesday, April 21, 2021. All written questions will receive a written response from the HPHA. The HPHA’s response to written questions shall be issued in an addendum and sent to all registered interested bidders via mail, electronic mail, or facsimile not later than Wednesday, April 28, 2021.

VII. Submission of Sealed Bids

A. Forms/Formats. The Bid Offer Form is attached in Section 5 of this IFB. See Attachment 2.

Bidders shall follow the U.S. Department of Housing and Urban Development’s Instructions to Offerors Non-Construction form HUD 5369-B and Certifications and Representations of Offers Non-Construction Contract, Form HUD 5369-C. The instructions can be downloaded from HUDClips at www.hudclips.org and are attached in Section 5 of this IFB. See Attachments 13 and 14.

B. Bid Submittal. Sealed bids must be hand delivered or mailed to the HPHA Central Files Office located at 1002 North School Street, Building D, Honolulu, Hawaii 96817 not later than 10:00 a.m. HST, Wednesday, May 5, 2021. Sealed bids post-marked prior to the specified bid due date and time but received after the specified bid due date and time shall be considered late and shall be rejected. Electronic mail or facsimile submissions of the Bid Offer shall not be accepted.

Bid offers shall be submitted in a sealed envelope identified as a sealed bid in response to this IFB (IFB No. CMB-2021-11). Any bid document submissions not sealed and identified with the IFB number on the envelope or submitted via electronic mail or facsimile shall be automatically rejected. There shall be no exceptions to this requirement.

C. Wages and Labor Law Compliance. Prior to entering into a Contract in excess of $25,000, a Bidder shall certify that it complies with section 103-55, HRS, wages, hours, and working conditions of employees of contractors performing services. Section 103-55, HRS, provides that the services to be performed shall be performed by employees paid at wages not less than wages paid to public officers and employees for similar work. Bidders are further advised that in the event of an increase in wages for public employees performing similar work during the period of the Contract, the Successful Bidder shall be obligated to provide such increased wages.

Bidders shall complete and submit the attached Wage Certification certifying that the services required will be performed pursuant to section 103-55, HRS. See Attachment 1.
The Successful Bidder shall be further obligated to notify his employees performing work under this Contract regarding the provisions of section 103-55, HRS, and the current wage rates for public employees performing similar work. The Successful Bidder may meet this obligation by posting a written notice to this effect in the Successful Offeror’s place of business in an area accessible to all employees.

Bidders are strongly encouraged to account for salary increases as posted by the State Department of Human Resources Development (DHRD). The HPHA will consider requests for increases as a result of wage increases to public officers and employees during the contract period or any option period that are not published. At the release of this solicitation, the effective wages for State employees performing similar work have been published by the DHRD.

If wages increase after the execution of the Contract, the Successful Bidder may request an increase in contract price in order to correspondingly increase the wages of the Offeror’s employees performing the work, including any increase in costs for benefits required by law that are automatically increased as a result of increased wages, such as federal old age benefits, workers’ compensation, temporary disability insurance, unemployment insurance, and prepaid health insurance.

The Successful Bidder shall not be compensated for any reimbursement of retroactive pay negotiated by the State. The Successful Bidder’s request for the increase must meet the following criteria:

1. If the Successful Bidder’s hourly wage rate is greater than the prevailing State wage at the time of the offer submittal, the Successful Bidder’s requests for increase will not be considered.

2. The Successful Bidder must or must have provided documentation to show that it is in compliance with section 103-55, HRS, that its employees are being paid no less than the known wage of the listed State position. Documentation shall include the employees’ payroll records and a statement that the employees are being utilized for this Contract.

3. Request for an increase must be made in writing to the HPHA on a timely basis:
a. Request for increase for the initial Contract period must be made as soon as practicable after the State wage agreements are made public. Approved requests will be retroactive to the date of increase for the State employees with adequate documentation that the Successful Bidder provided its employees a wage increase.

b. Request for increase for an option period of the Contract must be made prior to the start of the option period. To obtain the current wage information download the information from the Department of Human Resource Development's website at the following address:

   http://dhrd.hawaii.gov/state-hr-professionals/class-and-comp/salary-schedules/

It is the sole responsibility of the Successful Bidder to comply with section 103-55, HRS.

D. Confidential Information. If a bidder believes that any portion of a bid contains information that should be withheld as confidential, the bidder may request in writing for nondisclosure of designated proprietary data and provide justification to support confidentiality. Such data shall accompany the bid, clearly marked, and shall be readily separable from the bid documents to facilitate eventual public inspection of the non-confidential sections of the bid documents. Nondisclosure of requested information is subject to chapter 92F, HRS, and is discoverable unless exempted by law. Note that price is not considered confidential and shall not be withheld.

VIII. Discussion with Bidders Prior to Bid Submission

Discussions may be conducted with potential bidders to promote understanding of the HPHA requirements.

IX. Opening of Bids

All bid submissions shall be date and time stamped by the HPHA upon receipt of the bid submittal at the designated location. Bid submissions include bid offers, modifications to bids, and withdrawals of bid offers. All bid submissions received shall be held in a secure place by the HPHA and shall not be opened and examined for evaluation purposes until after the bid opening. Procurement files shall be open to public inspection after a Contract has been awarded and executed by all parties.
Sealed bids received by the due date and time shall be opened publicly. Public bid opening will commence at 10:15 a.m. HST, Wednesday, May 5, 2021 at the HPHA Contract and Procurement Office, 1002 North School Street, Building D, Honolulu, Hawaii 96817. In the unlikely event that the HPHA receives a bid that is misplaced or mishandled through no fault of the bidder, the HPHA shall publicly open the bid as soon as possible, inform all bidders about the additional bid and the bid price. Said bid shall only be opened if there is clear evidence that the bid was received at the HPHA by the posted due date and time and that the bid was not opened during the posted bid opening date and time.

X. Additional Materials and Documentation

Bid samples or descriptive literature should not be submitted. Any unsolicited documentation, literature, samples, or brochures received as part of the bid submission shall not be examined or tested and will not be deemed to vary any of the provisions of the IFB.

XI. IFB Amendments

The HPHA reserves the right to amend this IFB at any time prior to the closing date for the final revised bids or as allowed under section 3-122, HAR. Interested bidders registered with the HPHA using the IFB Registration Form will be notified of all amendments through written communication which may include electronic mail, facsimile, or United States Postal Services.

XII. Cancellation of the Invitation for Bids

The IFB may be canceled and any or all bids may be rejected in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

XIII. Costs for Bid Preparation

All costs incurred by bidders in the preparation and submission of bids are the sole responsibility of the bidders. All costs incurred by the Successful Bidder prior to the execution of a Contract are not eligible for reimbursement.

Costs incurred in connection with the review, inspection and verification of information provided in the Bid Offer Form shall be the sole responsibility of the bidder. Bidders shall agree that the HPHA is provided with the authorization(s) necessary to verify information provided in the Bid Offer Form.

XIV. Modification of Bids

Bids submitted may be modified prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:
(1) A written notice accompanying the actual modification received in the HPHA Central Files Office, stating that a modification to the bid is submitted.

(2) A facsimile or electronic written notice submitted either by facsimile machine or electronic mail to the IFB Coordinator. Bidder shall submit the original signed written notice and modification to the HPHA Central Files Office within two (2) business days of receipt of the facsimile or the electronic transmittal. If the written notice is submitted less than two (2) business days prior to the established due date and time for the receipt of bid offers, the bidder shall submit the original signed written notice and the modification to the HPHA Central Files Office not later than the established due date and time for receipt of bid offers.

Modified bid offers shall be submitted in a sealed envelope identified as a modified sealed bid in response to this IFB (IFB No. CMB-2021-11).

XV. Withdrawal of Bids

Bids submitted may be withdrawn prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

(1) A written notice received by the IFB Coordinator; or

(2) A notice by facsimile machine or electronic mail to the IFB Coordinator.

XVI. Late Withdrawal and Late Modification

Any notice of withdrawal or notice of modification of a bid with the actual modification is considered late when received by the HPHA after the established due date and time. A late modification will not be considered for award. Acceptance of a late withdrawal request shall be at the sole discretion of the HPHA Procurement Officer.

XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected or withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the State or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with section 3-122, HAR and the HUD requirements pursuant to HUD Handbook 7460.8.
XVIII. Rejection of Bids

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. All bids offering terms and conditions contradictory to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:

1. **Unreasonable in Price:** A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced:** A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions may be determined non-responsive.

XIX. Notice of Award

An award, if made, shall be as follows:

1. Awarded to the responsive and responsible bidder submitting the lowest Grand Total Bid Price on the Bid Offer Form. The Grand Total Bid Price is the sum of Total Bid Prices for the Initial Contract Period, Option Year 1, Option Year 2, Option Year 3 and Option Year 4. See Attachment 2. The quarterly bid price shall be inclusive of all personnel, labor, overhead, equipment, tools, applicable taxes, and any other costs incurred in the performance of the Contract; and

2. In the case of a tie, award shall be made to the current service provider provided that it is one of the tied bidders and whose performance under the current contract indicates that the current service provider is responsible. If the current service provider is not a tied bidder, award shall be determined by the flip of a coin or some other random means of selection.
Services shall not be undertaken by the Successful Bidder until receipt of the HPHA's issuance of the Notice to Proceed. The HPHA shall not be liable for any work, Contract, costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the date of the Notice to Proceed.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with applicable rules and statutes. The Successful Bidder receiving an award shall be required to enter into a formal written contract with the HPHA. The General Conditions of the resulting Contract are attached and service specifications are included herein. See Attachments 10 and 11.

XX. Protests

Pursuant to section 103D-701, an actual or prospective bidder may protest the solicitation or award of services only for a serious violation of procurement policies and operational procedures. Only the following matters may be protested:

i. A state purchasing agency's failure to follow procedures established by chapter 103D, HRS;

ii. A state purchasing agency's failure to follow rules established by chapter 103D, HRS; or

iii. A state purchasing agency's failure to follow procedures, requirements, or evaluation criteria in the solicitation issued by the state purchasing agency.

The Notice of Protest shall be mailed by United States Postal Service (USPS) or hand delivered to the head of the State Contracting Office conducting the protested procurement and the Procurement Officer who is conducting the procurement as indicated below within five (5) business days after the aggrieved person knows or should have known of the facts giving rise thereto. A protest based upon the content of the solicitation shall be submitted in writing prior to the date set for receipt of Offerors. Further provided that a protest of an award or proposed award shall be submitted within five (5) days after the posting of award of the contract. Protests are deemed submitted upon receipt by the State Contracting Office. C. Funding source and period of availability

Funds are subject to appropriation by the State Director of Finance and/or United States Congress and allocation by the Governor, State Legislature and/or United States Department of Housing and Urban Development. Funding and period of availability may change upon notice by the State to the HPHA.

It is understood that no award shall be binding unless the HPHA and/or the State Comptroller indicate that there is available and unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the Contract. A Contract entered into as a result of this IFB is binding only to the extent that funds are certified as available and that the availability of funds in excess of the amount certified as available shall be contingent upon future appropriations or special fund revenues.

If there should be insufficient funds for any portion of the remainder Contract period beyond the Initial Contract period, the State may terminate the Contract or revise the amount/quantity of services required without penalty. Services will be reduced or rescheduled at the same bid price.

II. General Requirements

A. Qualifying requirements

1. The Successful Bidder shall comply with the chapter 103D, HRS, Cost Principles for Purchase of Goods and Services and applicable HUD rules.

2. The Successful Bidder must have no outstanding balances owing to the HPHA. Exceptions may be granted by the Executive Director of the HPHA for debts recently acquired and for debts which have a repayment plan approved by the Executive Director of the HPHA.
3. The Successful Bidder shall, upon award of the Contract, furnish proof of compliance with the requirements of section 3-122-112, HAR:

As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder’s status as sole proprietor or other business entity and its business street address indicated on the Successful Bidder Form page 1 will be used to confirm that the Successful Bidder is a Hawaii business; or

Prior to award of a Contract, bidders shall submit the following documents to the HPHA to demonstrate compliance with Federal and State laws:

a. Tax Clearance, Form A-16;

http://vendors.ehawaii.gov

The HCE is hosted by NIC Hawaii, a subsidiary of NIC Inc. and provides the applicant with a "Certificate of Vendor Compliance" with current compliance status as of the issuance date, accepted for both contracting purposes and final payment. The HPHA is a self-insured State agency. The Successful Bidder's insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of and shall not contribute with insurance provided by the Successful Bidder.
