C. Wages and Labor Law Compliance. Prior to entering into a Contract in excess of $25,000, the Successful Bidder shall certify that it complies with section 103-55, HRS, Wages, hours, and working conditions of employees of contractors performing services. Section 103-55, HRS, provides that the services to be performed shall be performed by employees paid at wages not less than wages paid to public officers and employees for similar work. Interested bidders are further advised that in the event of an increase in

D. Confidential Information. If a bidder believes that any portion of a bid contains information that should be withheld as confidential, the interested bidder shall request in writing nondisclosure of designated proprietary data to be confidential and provide justification to support confidentiality. Such data shall accompany the bid, be clearly marked, and shall be readily separable from the bid documents to facilitate eventual public inspection of the non-confidential sections of the bid documents. Nondisclosure of requested information is subject to chapter 92F, HRS, and is discoverable unless exempted by law. Note that price is not considered confidential and shall not be withheld.

VIII. Discussion with Bidders Prior to Bid Submission

IX. Opening of Bids

All bid submissions shall be date and time stamped by the HPHA upon receipt of the bid submittal at the designated location. Bid submissions include bid offers, modifications to bids, and withdrawals of bid offers. All bid submissions received shall be held in a secure place by the HPHA and shall not be opened and examined for evaluation purposes until after the bid opening. Procurement files shall be open to public inspection after a Contract has been awarded and executed by all parties.

Sealed bids received by the due date and time shall be opened at the bid opening. Bid opening will commence at 10:15 a.m. HST, Friday, March 5, 2020 at the HPHA, Contract and Procurement Office, Bldg. D, 1002 North School Street, Honolulu, Hawaii 96817.

In the unlikely event that the HPHA has received a bid offer that was misplaced or mishandled through no fault of the interested bidder by the HPHA, the HPHA shall publicly open the bid offer as soon as possible, and contact all interested bidders to inform them of the additional bid offer and the bid price. Said bid offer
shall only be opened if there is clear evidence that the bid offer was received by the HPHA by the posted due date and time and that the document was not properly opened during the posted bid opening date and time due to the HPHA’s failure to properly manage the bid document.

X. **Additional Materials and Documentation**

Bid samples or descriptive literature should not be submitted. Any unsolicited documentation, literature, samples, or brochures received as part of the bid document shall not be examined or tested and will not be deemed to vary any of the provisions of this IFB.

XI. **IFB Amendments**

The HPHA reserves the right to amend this IFB at any time prior to the closing date for the final revised bids or as allowed under section 3-122, HAR. Interested bidders registered with the HPHA using the IFB Registration Form will be notified of all amendments through written communication which may include electronic mail, facsimile, or United States Postal Services (USPS) mail.

XII. **Cancellation of the Invitation for Bids**

The IFB may be canceled and any or all bid offers may be rejected in whole or in part at the HPHA’s sole discretion, when it is determined to be in the best interests of the State.

XIII. **Costs for Bid Preparation and Verification**

All costs incurred by the interested bidders in the preparation or submission of a bid offer are the interested bidder’s sole responsibility. All costs incurred by the Successful Bidder prior to the execution of a Contract are not eligible for reimbursement.

Costs incurred in connection with the review, inspection and verification of information provided in the Bid Offer Form shall be the sole responsibility of the bidder.

Bidders shall agree that the HPHA is provided with the authorization(s) necessary to verify information provided in the Bid Offer Form.

XIV. **Modification of Bids**

Bids submitted may be modified prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

(1) A written notice accompanying the actual modification received in the HPHA Central Files Office, stating that a modification to the bid is submitted.
(2) A facsimile or electronic written notice submitted either by facsimile machine or electronic mail to the IFB Coordinator. Bidder shall submit the original signed written notice and modification to the HPHA Central Files Office within two (2) business days of receipt of the facsimile or the electronic transmittal. If the written notice is submitted less than two (2) business days prior to the established due date and time for the receipt of bid offers, the bidder shall submit the original signed written notice and the modification to the HPHA Central Files Office not later than the established due date and time for receipt of bid offers.

Modified bid offers shall be submitted in a sealed envelope and properly identified as a modified sealed bid in response to this IFB (IFB No. FMO-2021-04).

XV. Withdrawal of Bids

Bids submitted may be withdrawn prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

(1) A written notice received by the IFB Coordinator; or

(2) A notice by facsimile machine or electronic mail to the IFB Coordinator.

XVI. Late Withdrawal and Late Modification

Any notice of withdrawal or notice of modification of a bid with the actual modification is considered late when received by the HPHA after the established due date and time.

A late modification will not be considered for award.

Acceptance of a late withdrawal request shall be at the sole discretion of the HPHA Procurement Officer.

XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected, withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the State or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with section 3-122, HAR and the HUD requirements pursuant to HUD Handbook 7460.8.

XVIII. Rejection of Bids

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an
understanding of the service specifications. All bids offering terms and conditions contradictory to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:

1. **Unreasonable in Price**: A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced**: A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions may be determined non-responsive.

The HPHA reserves the right to reject bid offers in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

**XIX. Notice of Award**

As part of the evaluation and procedures and contract award, the HPHA reserves the right to conduct a site visit of the physical printing facility to determine if it is secure and compliant with the requirements stated in this IFB before determining the award.

If made, an award shall be as follows:

1. Awarded to the responsible and responsive Bidder submitting the lowest Grand Total Bid Price for the initial 12-month period, Option Year One (1), and Option Year Two (2) as stated on the Bid Offer Form. See Attachment 2. Interested bidders must submit a bid for printing, folding, inserting monthly tenant rent bill, monthly newsletter, IRS 1099 tax form, inserting pre-printed material and programming costs for changing text during the initial 12-month period, option year one (1) and option year 2 to be considered responsive. The award of the initial 12-month Contract period shall not be deemed a commitment on the part of the HPHA to automatically exercise the two (2) additional 12-month option periods or any option period; and
2. In the case of a tie, the bid award shall be made as follows: 1) to the present Contractor, providing it is one of the tied bidders and whose previous business and/or performance indicate that it was responsible; or 2) if there is no present Contractor or if the present Contractor is not a tied bidder, the bid award shall be determined by the flip of a coin or some other random means of selection.

The Contract awarded resulting from this solicitation is subject to the approval of the Department of the Attorney General and other approvals as required by the statutes, regulations, rules, orders or other directives.

No work shall be undertaken by the Successful Bidder prior to the Contract start date of April 1, 2021. The HPHA is not liable for any work, contract costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the Contract starting date.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with this section. The Successful Bidder receiving an award shall be required to enter into a formal written Contract with the HPHA. The General Conditions of the Contract are attached and service specifications are included herein. See Attachments 11 and 12.

XX. Protests

An actual or prospective bidder may protest the solicitation or award of services only for a serious violation of procurement policies and operational procedures. Only the following matters may be protested:

(1) A state purchasing agency’s failure to follow procedures established by chapter 103D, HRS;

(2) A state purchasing agency’s failure to follow rules established by chapter 103D, HRS; or

(3) A state purchasing agency’s failure to follow procedures, requirement, or evaluation criterion in the solicitation issued by the state purchasing agency.

Pursuant to section 103D-701, HRS, an actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. A protest shall be submitted in writing within five (5) business days after the aggrieved person knows or should have known of the facts giving rise thereto; provided that a protest of an award or proposed award shall be submitted within five (5) business days after the posting of award of the Contract. The Notice of Protest shall be mailed by USPS or hand delivered to the Head of the State Contracting Agency conducting the protested procurement and the

XXI. Availability of Funds

All bidders and the Successful Bidder are hereby notified that the award of a Contract and any subsequent Contract renewal or extension are subject to allotments made by the Director of Finance, State of Hawaii, pursuant to chapter 37, HRS, and are subject to the availability and allocation of State and/or Federal funds. The HPHA shall retain the authority to cancel an award and/or not exercise the option periods due to the lack of available funds.

Nothing in this IFB shall be construed to obligate the State of Hawaii or the HPHA to pay for the services at federal public housing properties with State funds.

XXII. Monitoring and Evaluation

The Successful Bidder’s performance of the Contract will be monitored and evaluated by the Officer-in-Charge and the HPHA Contract Administrator or their designated representative(s). The HPHA shall provide the Successful Bidder with a copy of monitoring reports for their information and to take corrective action as appropriate.

Failure to comply with all material terms of the Contract may be cause for suspension or termination as provided in the General Conditions. The Successful Bidder may be required to submit additional written reports, including a corrective action plan, in response to monitoring conducted by the HPHA. These additional reports shall not be considered a change to the Scope of Work of the Contract and shall continue for the duration of time as deemed necessary by the HPHA.

(END OF SECTION)
Section 2
Specifications
Section 2
Specifications

I. Introduction

A. Purpose or Need

The Hawaii State Legislature established the Hawaii Public Housing Authority (HPHA) under chapter 356D, HRS. The HPHA is a public body and a body corporate and politic and it is attached to the Department of Human Services for administrative purposes only. The HPHA’s role is to address the housing needs of low income families in Hawaii. The purpose of this IFB is to competitively procure printing and mailing services for the HPHA’s monthly tenant rent bills statewide.

B. Funding source and period of availability

Funds are subject to appropriation by the State Director of Finance and/or United States Congress and allocation by the Governor, State Legislature and/or United States Department of Housing and Urban Development (HUD). Funding and period of availability may change upon notice by the State to the HPHA.

It is understood that an award shall not be binding, unless the HPHA, HUD and/or the State Comptroller indicate that there is available and unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the Contract. Any Contract entered into as a result of this IFB is binding only to the extent that funds are certified as available and received by HPHA. The availability of funds in excess of the amount certified as available shall be contingent upon future appropriations or special fund revenues.

If there should be insufficient funds for any portion of the remainder Contract period beyond the initial 12-month period ending March 31, 2022, the HPHA may terminate the Contract or revise the amount/quantity of services required without penalty. Services will be reduced or rescheduled at the same bid price.

The HPHA reserves the right to pay for the service using available State and/or Federal funding sources. All additional services purchased under the terms of the Contract resulting from this IFB shall be at the same accepted bid offer rates.

The use of Federal funds may require the prior written approval of the HUD.
II. General Requirements

A. Qualifying Requirements

1. The Successful Bidder shall comply with the chapter 103D, HRS, Cost Principles for Purchase of Goods and Services and applicable HUD rules. The Successful Bidder shall also comply with applicable HUD rules at Handbook No. 2210.18.

2. The Successful Bidder must have no outstanding balances owing to the HPHA. Exceptions may be granted by the Executive Director of the HPHA for debts recently acquired and for debts which have a repayment plan approved by the Executive Director of the HPHA.

3. The Successful Bidder shall, upon award of a Contract, furnish proof of compliance with the requirements of section 3-122-112, HAR:
   
   a. Chapter 237, HRS, tax clearance;
   b. Chapter 383, HRS, unemployment insurance;
   c. Chapter 386, HRS, workers’ compensation;
   d. Chapter 392, HRS, temporary disability insurance;
   e. Chapter 393, HRS, prepaid health care; and
   f. One of the following:

      i. The Successful Bidder shall be registered and incorporated or organized under the laws of the State of Hawaii as a "Hawaii business" as follows:

         **Hawaii business.** A business entity referred to as a “Hawaii business” is registered and incorporated or organized under the laws of the State of Hawaii. As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder’s status as sole proprietor or other business entity and its business street address indicated on page 1 of the Successful Bidder’s Bid Offer Form will be used to confirm that the Successful Bidder is a Hawaii business; or

      ii. The Successful Bidder shall be registered to do business in the State of Hawaii as a “compliant non-Hawaii business” as follows:
**Compliant non-Hawaii business.** A business entity referred to as a “compliant non-Hawaii business,” is not incorporated or organized under the laws of the State of Hawaii, but is registered to do business in the State. As evidence of compliance, the Successful Bidder shall submit a **CERTIFICATE OF GOOD STANDING.**

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

4. **Certifications of Eligibility**

Prior to award of a Contract, bidders shall submit the following documents with their bid offer to the HPHA to demonstrate compliance with Federal and State laws:

a. Tax Clearance, Form A-16;

b. Department of Labor and Industrial Relations, Application for Certification of Compliance, Form LIR #27; and

c. Certificate of Good Standing issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG).

Instead of separately applying for these paper certificates at the various state/federal agencies, the HPHA recommends that Interested Bidders use the Hawaii Compliance Express (HCE), which allows businesses to register online through a simple wizard interface at:

http://vendors.ehawaii.gov/hce/splash/welcome.html

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a “Certificate of Vendor Compliance” with current compliance status as of the issuance date, accepted for both contracting purposes and final payment. Bidders electing to use the HCE services will be required to pay an annual subscription fee of $12.00 to the HIC.

5. **Indemnification**

The Successful Bidder shall defend, indemnify, and hold harmless the State of Hawaii, the HPHA, its elected and appointed officials, officers, and employees from and against all liability, loss, damage, cost, and expense, including all attorney fees and all claims, suits, and demands
arising out of or resulting from the acts or omissions of the Successful Bidder or the Successful Bidder’s officers, employees, agents or subcontractors.

7. Insurance Requirements

I. Bid Evaluation

Each bid offer will be reviewed for exact conformity of the requirements in the IFB, known as a responsible bid. Information provided in/with the Bid Offer will be used to determine whether the interested bidder has the technical and financial capacity to deliver the goods or services, known as a responsive bid.

As part of the evaluation procedures and contract award, the HPHA reserves the right to conduct a site visit of a bidder’s physical printing facility to determine if it is secure and compliant with the requirements stated in this IFB before determining the award.

II. Method of Award

Award shall be made to the lowest responsible and responsive bidder’s grand total base bid price that includes the price for the initial 12-month period, Option Year One (1) and Option Year Two (2). To be considered a responsive bid and eligible for an award, the interested bidder must bid on the initial 12-month period, Option Year One (1) and Option Year Two (2); and provide proof of a quality control plan and data security plan with its bid offer as described in Section 2, Specifications of this IFB.

In the case of a tie, the bid award shall be made as follows: 1) to the present Contractor, providing it is one of the tied bidders and whose previous business and/or performance indicate that it was responsible; or 2) if there is no present Contractor or if the present Contractor is not a tied bidder, the bid award shall be determined by the flip of a coin or some other random means of selection.

The option to extend the Contract shall be at the sole discretion of the HPHA. Nothing in this IFB shall be construed or interpreted to mean that the HPHA is obligated to exercise the option periods. The Contract may be extended without the necessity of rebidding, at the same rates as proposed in the original bid, unless price adjustments are made and conditions are met as described in Section 2, Specifications of this IFB.

Pursuant to section 3-122-35, HAR, in the event there are no responsive and responsible bids, an alternative procurement method may be used by the HPHA. The HPHA may conduct a re-solicitation or an alternative procurement method.

The low bid must conform to all requirements of the IFB in order to be determined responsive.
