Class Specifications
for the Class:

REFUSE COLLECTOR

BU 01
BC-05

Duties Summary:

Performs the lifting of heavy containers at designated collection locations around State buildings and grounds and deposits their contents into a refuse truck; and performs other duties as required.

Distinguishing Characteristics:

This class involves a regular and continuous assignment as a member of a refuse collection crew. A sustained lifting and movement of heavy containers is required at collection points; and litter, debris and other rubbish are also picked up and loaded manually.

Examples of Duties:

Accompanies a refuse truck on a designated scheduled route to collection pick-up points; lifts oil drums and other containers, and deposits contents into the load section of the truck; returns containers to their proper places; shovels or hand carries trash into the truck; rakes and tidies up refuse collection areas as necessary; picks up and loads tree trimmings and hedge cuttings into the truck; may assist in maintaining grounds areas by performing routine manual tasks such as weeding, watering and sodding; may dig and shovel dirt for the laying of lawn sprinkler pipes.

Knowledge and Abilities Required:

Knowledge of: Proper methods in the manual lifting of heavy objects; safety practices appropriate to the work.

Ability to: Perform heavy manual work; understand and follow oral instructions.

This is the first specification for the new class, REFUSE COLLECTOR established as a result of a classification appeal decision by the Civil Service Commission.

Minimum Qualification Specifications
for the classREFUSE COLLECTORSelective Certification:

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. In such positions, certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Tests:

No written test will be required.

Physical and Medical Requirements:

Applicants must be physically able to perform, efficiently and effectively, the essential duties of the position which require regular and continuous lifting and moving of heavy containers and, typically, the ability to read without strain printed material the size of typewritten characters, glasses permitted, and the ability to hear the conversational voice, with or without a hearing aid, or the ability to compensate satisfactorily. Handicaps in these or other areas will not automatically result in disqualification. Those applicants who demonstrate that they are capable of performing the essential functions of the position will not be disqualified under this section.

Any condition which would cause applicants to be a hazard to themselves or others is cause for disqualification.

Any disqualification under this section will be made only after a review of all pertinent information including the results of the medical examination, and requires the approval of the Director.

This is an amendment to the minimum qualification specification for the class REFUSE COLLECTOR approved on January 7, 1966.

Class Specifications
for the Class:

TRUCK DRIVER-LABORER

BU 01
BC-05

Duties Summary:

Operates medium and heavy trucks as a regular work assignment, and performs operational maintenance; performs manual, unskilled and semi-skilled work in the general construction and maintenance of roads and adjacent areas; and performs other related duties as assigned.

Distinguishing Characteristics:

This class differs from classes in the Truck Driver series in that the Truck Driver-Laborer is regularly assigned to operate medium (factory rated capacity of 1-1/2 tons and over, but less than 5 tons), and heavy (factory rated capacity of 5 tons and over) trucks, but spends a major portion of the work time in performing manual, unskilled and semi-skilled work; whereas classes in the Truck Driver series are responsible for operating and maintaining trucks as a major work assignment and may perform manual work as an auxiliary or sporadic assignment.

This class differs from the class General Laborer II in the Truck Driver-Laborer, although spending a major portion of time performing manual, unskilled and semi-skilled work, is regularly assigned to operate medium and heavy trucks on a continuing basis; whereas the General Laborer II performs manual work which includes tasks that require some manipulative skill, but does not include the operation of medium and heavy trucks on a regular or continuing basis.

Examples of Duties:

Operates dump trucks to haul rocks, gravel, dirt and other material; operates a tank truck to haul water to landscaped areas; operates water pumps and waters plants and grass with hose or spray attachments; plants trees, shrubs and grass along landscaped areas of the highway; prunes trees and shrubs; cultivates and weeds landscaped areas; cleans ditches and culverts; cuts grass along highways; assists in building or repairing stonewalls, guard rails and patching pavement; performs a variety of manual, unskilled and semi-skilled work in the general construction and maintenance of roads, buildings, structures and equipment; keeps records of supplies and materials used in maintaining landscaped areas such as insecticides and fertilizers; may supervise a helper assisting in the maintenance of landscaped areas.

Knowledge, Skills and Abilities Required:

Knowledge of: Common hand tools and equipment used in manual, unskilled and semi-skilled work; common methods, procedures and materials used in general construction and maintenance work; method of operating motorized equipment representative of the class; the capacity and uses of motorized equipment representative of the class; laws, ordinances, rules and regulations governing the operation of motor vehicles on streets and highways; hazards and safety precautions applicable to the operation of motorized equipment representative of the class.

Ability to: Operate motorized equipment representative of the class skillfully and safely; understand and follow oral and written instructions; perform minor maintenance work on equipment representative of the class; perform lifting, carrying or other manual work typical of the class; operate simple machinery; understand and observe traffic laws and rules; learn a variety of semi-skilled work tasks; operate simple machinery.

This is an amendment (format change only) to the class specification for the class TRUCK DRIVER-LABORER approved on December 3, 1985.

Director of Personnel Services

Minimum Qualification Specifications
for the Class:

TRUCK DRIVER-LABORER

Experience Requirement

One (1) year of manual, unskilled and semi-skilled work experience in general construction and/or building repair and maintenance, some of which shall have included the operation of trucks representative of the class (i.e., medium trucks with a factory rated capacity of 1-1/2 tons or more, but less than 5 tons, and heavy trucks with a factory rated capacity greater than 5 tons), or any equivalent combination of training and experience.

License Requirement

A valid license of the appropriate type (e.g., Class 4 or Commercial Driver's License with applicable endorsements) to drive in the State of Hawaii is required to perform the essential functions of the position.

Quality of Experience

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

Selective Certification

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Tests

Applicants may be required to qualify on an appropriate examination.

Physical and Medical Requirements

Applicants must be able to perform the essential functions of the position effectively and safely, with or without reasonable accommodation.

This is an amendment to the minimum qualification specifications for the class TRUCK DRIVER-LABORER, which were approved on April 23, 1991.
