a. The State of Hawaii, the Hawaii Public Housing Authority, its elected and appointed officials, officers and employees shall be named as additional insured, except for Professional Liability Insurance and Workers Compensation Insurance, as respects to operations performed for the State of Hawaii under this Contract. Before the effective date of the Contract, the CONTRACTOR agrees to provide the STATE certificate(s) of insurance necessary to satisfy the STATE that the CONTRACTOR is in compliance with insurance provisions of this Contract and will keep such insurance in effect and the certificate(s) therefore on deposit with the STATE during the entire term of this Contract. Upon request by the STATE, the CONTRACTOR shall furnish a copy of the policy or policies.

b. Failure of the CONTRACTOR to provide and keep in force such insurance shall be a material default under this Contract. The STATE shall be entitled to exercise any or all of the remedies provided in this Contract and by law for default by the CONTRACTOR.
c. The procuring of such required policy or policies of insurance shall not be construed to limit CONTRACTOR’s liability under this Contract or to fulfill the indemnification provisions and requirements of this Contract. Notwithstanding said policy or policies of insurance, CONTRACTOR shall be obliged for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with this Contract.

d. The CONTRACTOR shall immediately provide written notice to the contracting department or HPHA should any of the insurance policies evidenced on its Certificate of Insurance form be cancelled, limited in scope, or not renewed upon expiration.

e. The Hawaii Public Housing Authority is a self-insured STATE agency. The CONTRACTOR’s insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of, and shall not contribute with, insurance provided by the CONTRACTOR.

f. To satisfy the minimum coverage limits required by this Contract, the CONTRACTOR may use an umbrella policy in addition to the mandatory insurance policies (i.e. General Liability Insurance, Automobile Insurance, and Workers’ Compensation) provided that the HPHA approves, and the umbrella policy follows the underlying coverage forms.

2. Section 3 of the U.S. Housing Act of 1968

a. The work to be performed under this Contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

b. The parties to this Contract agree to comply with HUD’s regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

c. The CONTRACTOR agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or any other understanding a notice advising the labor organization or workers’ representative of the CONTRACTOR’s commitments under this section 3 clause. CONTRACTOR shall post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions
can see the notice. The notice shall describe the section 3 preference, set forth minimum number and job titles subject to hire, the availability of apprenticeship/training positions and the qualifications for each. The notice shall also provide the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

d. The CONTRACTOR shall include this section 3 clause in every subcontract in compliance with regulations in 24 CFR part 135. It shall take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The CONTRACTOR will not subcontract with any subcontractor where the CONTRACTOR has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

e. The CONTRACTOR shall certify that any vacant employment positions were not filled to circumvent the CONTRACTOR’s obligations under 24 CFR part 135. This includes any training positions that are filled (1) after the CONTRACTOR is selected but before the Contract is executed and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed.

f. Noncompliance with HUD’s regulations in 24 CFR part 135 may result in sanctions, termination of this Contract for default and debarment or suspension from future HUD assisted contracts.

3. The CONTRACTOR shall have a permanent office in the State where it conducts business and where it will be accessible in person or via telephone calls during normal State of Hawaii government business hours to address concerns or requests that need immediate attention. A telephone answering service is not acceptable.

4. The STATE shall monitor the performance of work an ongoing basis through personal observation, site inspection, and/or other appropriate methods deemed as appropriate by the Contract Administrator and his/her designated representative(s).

5. In the event the CONTRACTOR fails, refuses, or neglects to perform the services in accordance with the requirements of the Invitation for Bids (IFB) No. PMB-2000-25 or the Contract, the STATE reserves the right to purchase in the open market a corresponding quantity of services, and to deduct the cost of such services from any monies due or may thereafter become due the CONTRACTOR. In case money due to the CONTRACTOR is insufficient for the purpose, the CONTRACTOR shall pay the difference upon demand by the STATE. The STATE may also utilize all other remedies provided under the Contract and by law and rules.

6. In the event of a conflict between the Special Conditions and the General Conditions, the Special Conditions shall apply.
7. Interchangeable Terms. The following terms shall be one and same:
   a. "STATE" and "HPHA".
   b. "Contract" and "Agreement".
   c. "CONTRACTOR" and "______________________".

8. Liquidated damages shall be fixed at the sum of FIFTY DOLLARS ($50.00) for each calendar day that the CONTRACTOR fails to perform in whole or in part any of its obligations under the Contract in accordance with the terms of paragraph 9 of the General Conditions. Liquidated damages may be deducted from any payments due or may become due to the CONTRACTOR.
