XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected or withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the State or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with section 3-122, HAR and the HUD requirements pursuant to HUD Handbook 7460.8.

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. A bid may be automatically rejected if it is:

1. **Unreasonable in Price:** A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced:** A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions may be determined non-responsive.

The HPHA reserves the right to reject bid offers in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

The unit bid price shall be inclusive of all administrative and personnel costs, applicable taxes, and any other costs incurred in the performance of the contracted services. A bidder is not required to submit a bid for all groups, however, a bidder shall submit a bid price for all solicited contract period(s) applicable within a group and complete the Bid Offer Form in its entirety to be considered responsive for a group and eligible for award. The award of a contract shall not be deemed a commitment on the part of the HPHA to automatically exercise any option period; and

   f. One of the following:

      i. The Successful Bidder shall be registered and incorporated or organized under the laws of the State of Hawaii as a “Hawaii business” as follows:

         **Hawaii business.** A business entity referred to as a "Hawaii business" is registered and incorporated or organized under the laws of the State of Hawaii. As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii
business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder’s status as sole proprietor or other business entity and its business street address indicated on the Successful Bidder Form page 1 will be used to confirm that the Successful Bidder is a Hawaii business; or

ii. The Successful Bidder shall be registered to do business in the State of Hawaii as a “compliant non-Hawaii business” as follows:

**Compliant non-Hawaii business.** A business entity referred to as a “compliant non-Hawaii business,” is not incorporated or organized under the laws of the State of Hawaii, but is registered to do business in the State. As evidence of compliance, the Successful Bidder shall submit a **CERTIFICATE OF GOOD STANDING**.

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

4. **Certifications of Eligibility**

**Bidders shall submit the following documents with their bid offer to the HPHA to demonstrate compliance with Federal and State laws:**

a. Tax Clearance, Form A-16;

b. Department of Labor and Industrial Relations, Application for Certification of Compliance, Form LIR #27; and

c. Certificate of Good Standing issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG).

Instead of separately applying for these (paper) certificates at the various State and Federal agencies, the HPHA recommends that bidders use the Hawaii Compliance Express (HCE), which allows business to register online through a simple wizard interface at:

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a "Certificate of Vendor Compliance" with current compliance status as of the issuance date, accepted for both contracting purposes and final payment. Bidders electing to use the HCE services will be required to pay an annual subscription fee of $12.00 to the HIC.

5. Indemnification

The Successful Bidder shall defend, indemnify, and hold harmless the State of Hawaii, the HPHA, its elected and appointed officials, officers, and employees from and against all liability, loss, damage, cost, and expense, including all attorney fees and all claims, suits, and demands arising out of or resulting from the acts or omissions of the Successful Bidder or the Successful Bidder’s officers, employees, agents or subcontractors.

6. Insurance Requirements

Within fifteen (15) days after award of the Contract and prior to the execution of the Contract, the Successful Bidder shall furnish to the Contracting Officer valid certificate(s) of insurance as evidence of the following minimum insurance coverage requirements:

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Commercial General Liability (occurrence form)</td>
<td>$2,000,000.00 combined single limit per occurrence for bodily injury and property damage.</td>
</tr>

</table>
| Automobile Insurance covering all owned, non-owned and hired automobiles. | Bodily injury liability limits of $1,000,000.00 each person and $1,000,000.00 per accident and property damage liability limits of $1,000,000.00 per accident  OR  
  Combined single limit of $2,000,000.00. |
| Workers Compensation as required by applicable State laws. | Insurance to include Employer’s Liability. Both such coverages shall apply to all employees of the Successful Bidder and to all employees of sub-contractors (in case any sub-contractor fails to provide adequate similar protection for all his/her employees). |
A certificate of insurance evidencing such insurance is required prior to commencement of services. The insurance policy required by the Contract shall contain the following clause:

"The State of Hawaii, the Hawaii Public Housing Authority, its elected and appointed officials, officers, and employees shall be named as additional insured, except for Professional Liability Insurance and Workers Compensation Insurance, with respect to operations performed for the State of Hawaii and HPHA under this Contract."

The minimum insurance required shall be in full compliance with the Hawaii Insurance Code throughout the entire term of the Contract, including all Supplemental Contracts.

To satisfy the minimum coverage limits required by the Contract, the Successful Bidder may use an umbrella policy in addition to the mandatory insurance policies (i.e., General liability Insurance, Automobile Insurance, and Workers Compensation) provided that the HPHA approves, and the umbrella policy follows the underlying coverage forms.

Upon execution of the Contract and before the effective date of the Contract, the Successful Bidder agrees to deposit with the HPHA, valid certificate(s) of insurance necessary to satisfy the HPHA the Successful Bidder’s compliance with the insurance provisions of the Contract and to keep such insurance in effect and the certificate(s) on deposit with the HPHA during the entire term of the Contract. Upon request by the HPHA, the Successful Bidder shall furnish a copy of the policy or policies.

Failure of the Successful Bidder to provide and keep in force such insurance shall be regarded as material default under the Contract. The HPHA shall be entitled to exercise any or all of the remedies provided in the Contract for such default of the Successful Bidder.

The procuring of such required policy or policies of insurance shall not be construed to limit Successful Bidder’s liability hereunder or to fulfill the indemnification provisions and requirements of the Contract.

Notwithstanding said policy or policies of insurance, the Successful Bidder shall be obliged for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with the Contract.
The HPHA is a self-insured State agency. The Successful Bidder's insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of and shall not contribute with insurance provided by the Successful Bidder.

The Successful Bidder will immediately provide written notice to the HPHA should any of the insurance policies evidenced on its Certificate of Insurance form be cancelled, limited in scope, or not renewed upon expiration.

7. During the performance of the Contract, the Successful Bidder agrees not to discriminate against any employee or applicant for employment in compliance with State, Federal and local laws. Such actions shall include but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Successful Bidder shall insert similar provisions in all subcontracts.

8. Business Office

The Successful Bidder shall have a permanent office where he/she conducts business and where he/she will be accessible in person or via telephone during normal Hawaii State government business hours from 7:45 a.m. to 4:30 p.m. HST to address requests that require immediate attention. other impediment that would prevent them from complying with the part 135 regulations.

c. The Successful Bidder agrees to send to each labor organization or representative of workers with which the Successful Bidder has a collective bargaining agreement or any other understanding, a notice advising the labor organization or workers' representative of the Successful Bidder's commitments under this section 3 clause. It will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

d. The Successful Bidder agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Successful Bidder will not subcontract with any subcontractor where the Successful Bidder has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

e. The Successful Bidder will certify that any vacant employment positions, including training positions, that are filled (1) after the Successful Bidder is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Successful Bidder's obligations under 24 CFR part 135.

f. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

10. No performance or payment bond is required.
11. A bid security deposit is not required for this IFB.

B. Type of Contract

E. Statutory Requirements of Section 103-55, HRS

Prior to entering into a Contract in excess of $25,000, an interest bidder shall certify that it complies with section 103-55, HRS, wages, hours, and working conditions for employees of the Contractor performing the services. Section 103-55, HRS provides that the services to be performed shall be performed by employees paid at wages not less than wages paid to public officers and employees for similar work. Interested bidders are further advised that in the event of an increase in wages for public employees performing similar work during the period of the resulting Contract, the Successful Bidder shall be obligated to provide such increased wages.

Bidders shall complete and submit the attached Wage Certification by which the bidder certifies that the services required will be performed pursuant to section 103-55, HRS. See Attachment 1.

Bidders are advised that section 103-55, HRS, provides that the services to be performed shall be performed by employees paid at wages not less than wages paid to public officers and employees for similar work. Bidders are further advised that in the event of an increase in wage rates to public employees performing similar work during the Contract period, the
Successful Bidder will be obligated to perform wages not less than those increased wages.

The HPHA has determined that work to be performed under this Contract is similar to various refuse collector positions in Bargaining Unit 01; therefore, the Successful Bidder shall be required to pay their employees the published prevailing State wages for work performed under the resulting Contract. See Attachment 13.

The Successful Bidder shall be further obligated to notify his/her employees performing work under the resulting Contract regarding the provisions of section 103-55, HRS, and the current wage rate for public employees performing similar work. The Successful Bidder may meet this obligation by posting a written notice to this effect in the Successful Bidder’s place of business in an area accessible to all employees.

F. Bid Price

The bid price per pickup per container (unit bid price) shall be the all-inclusive unit cost to the HPHA, including without limitation, all labor, equipment, materials, applicable taxes and any other expenses incurred to provide refuse collection services as specified herein. Other expenses may include, without limitation, increase in costs for benefits required by law that are automatically increased as a result of increase wages, including without limitation, federal old age benefits, workers’ compensation, temporary disability insurance, unemployment insurance, and prepaid health insurance.

The unit bid price shall be applicable to refuse collections services provided during normal work hours. The HPHA is not responsible for and shall not pay overtime pay resulting from the Successful Bidder’s scheduling of employees. Bidders should account for any published wage increase in the bid price. The HPHA shall not approve requests for contract adjustments due to wage increase during the term of the contract that are known. It is
the sole responsibility of the Successful Bidder to comply with section 103-55, HRS.

G. Contract Price Adjustment Due to Increase in State Wages

At the release of this solicitation, the effective wages through August 11, 2020 for State employees performing similar work are known. If wages increase after the execution of the Contract, the Successful Bidder may request an increase in Contract price in order to correspondingly increase the wages of the Successful Bidder's employees performing the work, including any increase in costs for benefits required by law that are automatically increased as a result of increased wages, such as federal old age benefits, workers' compensation, temporary disability insurance, unemployment insurance, and prepaid health insurance.

The Successful Bidder shall not be paid for any reimbursement of retroactive pay negotiated by the State. The Successful Bidder's request for the increase must meet the following criteria:

1. At the time of bidding, if the Successful Bidder's hourly wage rate is greater than the prevailing State wage, the Successful Bidder's requests for increase will not be considered.

2. At the time of the request, the Successful Bidder must or must have provided documentation to show that it is in compliance with Section 103-55, HRS, that its employees are being paid not less than the known wage of the State position listed herein. Documentation shall include employee payroll records and a statement that the employees are being utilized for this Contract.

3. Request for an increase must be made in writing to the HPHA on a timely basis:

   a. Request for increase for the initial Contract period must be made as soon as practicable after the State wage agreements are made public. Approved request will be retroactive to the date of increase for the State employees with adequate documentation that the Successful Bidder provided its employees a wage increase.

   b. Request for increase for an option period of the Contract must be made prior to the start of the option period. The Successful Bidder may contact the Contract Administrator listed in Section 1 of this Invitation for Bids to obtain the current wage information or download the information from
the Department of Human Resource Development website at the following address:

H. Contract Price Adjustment Due to Landfill/Disposal Fees

Bidders shall include County landfill and disposal fees in their bid prices. The Successful Bidder may request adjustments to the contracted bid price per container provided the request is made in writing and documentation of landfill and disposal fee increase is submitted with the request. The HPHA shall only consider requests for a price adjustment equivalent to the documented increase in County landfill/disposal fees.

Disposal fees on the bid form shall mean and include landfill, disposal, transfer fees, tipping fees, and applicable surcharges.

The formula used to calculate the price adjustment per container due to landfill/disposal fees is as follows:

\[ [(N-O) \div 2000] \times W \times C \]

Whereby:
- \( N \) = New County disposal unit charge per ton.
- \( O \) = Old County disposal unit charge per ton.
- 2000 pounds of refuse = 1 ton.
- \( W \) = Base weight of 125 lbs. will be used per cubic yard OR base weight of 8.33 pounds per gallon will be used.
- \( C \) = Refuse container capacity.

I. Recycling Fund Surcharge

Bidders shall include the County recycling fund surcharge in their bid prices. If the County recycling fund surcharge changes during the term of the Contract, 125 pounds will be used as a container base weight per cubic yard of refuse, 20 pounds will be used for the 30-gallon containers, and 64 pounds will be used for the 96-gallon containers.

Disposal fees on the bid form shall mean and include landfill, disposal, transfer fees, tipping fees, and applicable surcharges.

The HPHA shall only consider requests for a price adjustment equivalent to the documented increase in recycling fund surcharge fee.
J. Solid Waste Management Surcharge

Bidders shall include the State’s solid waste management surcharge in their bid prices. If there is a future increase for solid waste management surcharge, the formulas used to calculate the price adjustment are as follows:

Price adjustment per container of refuse is as follows:

\[ \frac{(N-O)}{2000} \times W \times C \]

Whereby:

- \( N \) = New solid waste management surcharge per ton.
- \( O \) = Old solid waste management surcharge per ton.
- 2000 pounds of refuse = 1 ton.
- \( W \) = Base weight of 125 pounds per cubic yard will be used OR base weight of 8.33 pounds per gallon will be used.
- \( C \) = Refuse container capacity.

The HPHA shall only consider requests for a price adjustment equivalent to the documented increase in solid waste management surcharge fee.

K. Price Adjustment by the State

Change in Number of Pickups or Containers. The total Contract price is based on the solicited list of properties provided in Attachment 4 and the maximum amount of refuse to be generated for each Contract period. The HPHA reserves the right to increase or decrease the number of pickups and/or number of containers on Contract, and/or add or remove properties from the resulting Contract due to HPHA modernization and/or redevelopment projects. Such changes shall be made upon written notice by the HPHA and require execution of a supplemental contract. The accepted unit bid price(s) applicable to similar localities on Contract shall apply to the new services unless otherwise agreed to by the HPHA.

Unscheduled or Emergency Service Calls (Excess Refuse Pick-up on an unscheduled Collection Date). The Successful Bidder agrees to make unscheduled collections when requested by the Officer-in-Charge. Such "calls" shall be performed within 24 hours after request. Bid price per container will be used as the basis for "call" charges unless such charges are modified by mutual agreement at the time of the emergency to account for any additional expenses to provide the special pickup service.
III. SCOPE OF WORK

A. Service Activities (Minimum and/or mandatory tasks and responsibilities)

1. Collection and Disposal

The refuse collection trucks shall be constructed so that refuse therein shall be well confined without any leakage, spillage or loss of refuse during transit.

b. The Successful Bidder shall clean the refuse container areas to keep the areas free of debris and rubbish. The areas shall be left in a clean and sanitary condition with empty refuse containers replaced at the designated stations as applicable and in a condition which will be safe and accessible to the users. Additional bags of trash located adjacent to the containers shall be removed and disposed of whenever additional trash is present.

c. Refuse that falls from the bins during the collection process shall be properly cleared, collected and disposed of during the same service date, including without limitation, fallen refuse from bins that landed outside of the receptacle area of the refuse collection truck. d. The Successful Bidder shall dispose of all refuse collected by transporting to disposal sites meeting the requirements of local ordinances and regulations applicable to refuse disposal.

e. Should bulky items be observed buried inside the bins while refuse is being collected by the Successful Bidder, the Successful Bidder must notify the Officer-in-Charge or designee at the property and continue to service and empty
the bins as usual. The Successful Bidder’s personnel shall document the bulky item while on site to serve as proof of bulky item disposal and to seek reimbursement of disposal fee from the HPHA. The HPHA is not responsible for payment of bulky item disposal fee once the refuse is removed from the HPHA property. Documentation of bulky items inside the bins may include pictures of the bulky item with the Officer-in-Charge or designee’s acknowledgement.

2. **Collection Schedule**

   a. Collections shall be made in accordance with the Service Schedule provided on the Bid Offer Form. Changes in days designated for collection and disposal services may be made provided written approval is granted by the Officer-in-Charge and the change does not change the number of pickups days per week/month. Pick-up hours shall be between the hours of 7:30 a.m. to 3:00 p.m. HST.

   b. When the Service Schedule falls on the Successful Bidder’s holiday and the Successful Bidder will not be making the scheduled pickup for that day, the Successful Bidder shall make the pick-up on the first business day after the holiday. The Successful Bidder shall provide a list of observed holidays to the Officer-in-Charge and Contract Administrator upon execution of a Contract.

   c. If the Successful Bidder is unable to perform the work on the scheduled date due to inclement weather or any other unavoidable conditions, such as heavy rain or hurricane weather, the Successful Bidder shall immediately report to the Officer-in-Charge that work has been postponed. The make-up collection service shall be made within 24 hours and no additional compensation will be allowed for such make-up or corrective work undertaken.

   d. If make-up collection is not made within 24 hours, the HPHA reserves the right to purchase emergency services from another provider and shall assess those charges to the Successful Bidder who failed to perform the make-up collection service.

   e. Refuse collection services at properties undergoing modernization and/or redevelopment may be terminated for convenience or require changes to the quantity of containers and/or Service Schedule. The HPHA reserves the right to add or remove properties from the resulting Contract due to HPHA

 Specifications 27  IFB PMB-2020-37 / Refuse Collection Svcs - KRC

Furnished containers shall be new or refurbished like new with at least three (3) cubic yard capacity and of steel construction or made of industrial strength heavy duty plastic. Containers shall have four (4) heavy-duty casters, two (2) covers that can easily be opened and closed, and shall be properly reinforced with no sharp or bare edges.

The Officer-in-Charge may, at his/her discretion, request containers without covers. Substitution of larger containers, not to exceed eight (8) cubic yard capacity, will be permitted upon written approval of the Officer-in-Charge.

c. The Successful Bidder shall maintain the gallon trash cans/containers and cubic yard containers, inclusive of casters, and covers for the duration of the contract.

d. All containers shall be uniformly painted. At the start of the Contract and any subsequent contract period(s), all containers shall be clean, uniformly and freshly painted, and in good repair. In the event that the present Contractor is awarded the Contract, containers presently at the property must meet these requirements.

e. The Successful Bidder shall be responsible to keep all containers free from graffiti. Any graffiti reported to the Successful Bidder by the Officer-in-Charge shall be removed
within three (3) business days. The Officer-in-Charge may, at his/her discretion, agree to keep the refuse containers free from graffiti.

f. The Successful Bidder shall maintain a supply of spare gallon trash can/containers and cubic yard containers to serve as replacements or additions to ensure that refuse can be handled without delay.

4. Refuse Container Maintenance

a. All Successful Bidder-owned refuse containers shall be kept clean, odor-free, and presentable at all times. The Successful Bidder shall hose wet refuse from containers, disinfect, deodorize, refurbish or replace containers at the request of the Officer-in-Charge.

c. Containers shall also be scraped on the last pickup day of each month or as specified by the Officer-in-Charge before disinfecting. Equipment, water, chemicals and any materials needed to perform the required maintenance shall be furnished by the Successful Bidder.

d. Maintenance or repair of the containers shall be done at the Successful Bidder’s place of business and not on the property premises.

e. In the event the Successful Bidder fails to maintain the refuse containers and the Contract Administrator notifies the Successful Bidder of its failure to keep the containers in good repair and appearance, the Successful Bidder shall replace the deficient refuse container with a refuse container acceptable to the Officer-in-Charge by the next scheduled
pickup day. The Successful Bidder shall notify the Officer-in-Charge within five (5) calendar days of the action(s) taken to correct the deficiency. Repeated failure of the Successful Bidder to correct refuse container deficiencies on a timely basis or to respond to the Officer-in-Charge within five (5) calendar days of the action taken to correct the deficiencies shall be deemed as sufficient cause for termination of the Contract.

5. Vehicle Listing and Standards
   a. All vehicles may be subject to periodic inspection by the State. All vehicles must meet and comply with all applicable Rules and Regulations mandated by local, State and Federal governments.
   b. Any vehicle failing to meet the safety standards or found to be mechanically unsafe shall be removed from service and repaired. Any refusal to correct or repair discrepancies shall result in termination of the Contract.

6. Equipment
   a. Equipment furnished and used by the Successful Bidder to collect and remove refuse shall at all times be clean and well maintained, both mechanically and in appearance.
   b. The Successful Bidder shall inspect all refuse collection bins assigned to the HPHA properties regularly to ensure bins are well-maintained.

   c. The Successful Bidder shall be solely responsible for the behavior and conduct of their employees or agents on HPHA
property and shall instruct personnel to fully cooperate with the Officer-in-Charge.

d. The Successful Bidder agrees to remove any of his/her employees from servicing or providing services to the HPHA, upon written request by the Officer-in-Charge. At the request of the HPHA, the Successful Bidder shall remove forthwith and shall not employ in any portion of the contracted work, any person who, in the opinion of the HPHA, does not perform his/her duties and responsibilities in a proper and skillful manner or is intoxicated or disorderly or is abusive or unable to demonstrate tact and diplomacy in dealing with the public.

m. Subject to section 356D-6.5, HRS, smoking of tobacco or any other plant material is strictly prohibited on HPHA properties. Furthermore, pursuant to section 328J-1 and 328J-2, HRS, "smoking" includes the use of an electronic smoking device and shall be prohibited in all enclosed or partially enclosed areas. The Successful Bidder agrees and shall adhere to these no-smoking laws while on HPHA properties. Such violation may be considered a breach of the resulting Contract and result in suspension or termination of the Contract. It shall be considered a violation of State law and subject to prosecution to the fullest extend under the law.

1. Administrative
