IX. Opening of Bids

All bid submissions shall be date and time stamped by the HPHA upon receipt of the bid submittal at the designated location. Bid submissions include bid offers, modifications to bids, and withdrawals of bid offers. All bid submissions received shall be held in a secure place by the HPHA and shall not be opened and examined for evaluation purposes until after the bid opening. Procurement files

Said bid shall only be opened if there is clear evidence that the bid was received at the HPHA by the posted due date and time and that the bid was not opened during the posted bid opening date and time.

X. Additional Materials and Documentation

Bid samples or descriptive literature should not be submitted. Any unsolicited documentation, literature, samples, or brochures received as part of the bid submission shall not be examined or tested and will not be deemed to vary any of the provisions of the IFB.

XI. IFB Amendments

The HPHA reserves the right to amend this IFB at any time prior to the closing date for the final revised bids or as allowed under section 3-122, HAR. Interested bidders registered with the HPHA using the IFB Registration Form will be notified of all amendments through written communication, which may include electronic mail, facsimile or USPS.

XII. Cancellation of the Invitation for Bids

The IFB may be canceled and any or all bids may be rejected in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

XIII. Costs for Bid Preparation

All costs incurred by bidders in the preparation and submission of bids are the sole responsibility of the bidders. None of the costs incurred by the Successful Bidder prior to the execution of a Contract are eligible for reimbursement.

Costs incurred in connection with the review, inspection and verification of information provided in the Bid Offer Form shall be the sole responsibility of the bidder.

Bidders shall agree that the HPHA is provided with the authorization(s) necessary to verify information provided in the Bid Offer Form.

XIV. Modification of Bids

Bids submitted may be modified prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

- (1) A written notice accompanying the actual modification received in the HPHA Central Files Office, stating that a modification to the bid is submitted.
- (2) A facsimile or electronic written notice submitted either by facsimile machine or electronic mail to the IFB Coordinator. Bidder shall submit the original signed written notice and modification to the HPHA Central Files Office within two (2) business days of receipt of the facsimile or the electronic transmittal. If the written notice is submitted less than two (2) business days prior to the established due date and time for the receipt of bid offers, the bidder shall submit the original signed written notice and the modification to the HPHA Central Files Office not later than the established due date and time for receipt of bid offers.

Any notice of withdrawal or notice of modification of a bid with the actual modification is considered late when received by the HPHA after the established due date and time.

A late modification will not be considered for award.

Acceptance of a late withdrawal request shall be at the sole discretion of the HPHA Procurement Officer.

XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected or withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the STATE or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with section 3-122, HAR.

XVIII. Rejection of Bids

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. All bids offering terms and conditions that contradict to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:

1. Unreasonable in Price: A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.
2. Materially unbalanced: A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions shall be determined non-responsive.

XIX. Notice of Award

An award, if made, shall be as follows:

1. Awarded to the responsive and responsible bidder submitting the lowest Grand Total Bid Price on the Bid Offer Form. The Grand Total Bid Price is the sum of the all service items for the initial 12-month period and option years 1 and 2. See Attachment 2. The unit bid price shall be inclusive of labor, cleaning equipment, cleaning supplies and materials, administrative

costs, applicable taxes, and any other costs incurred in the performance of the Contract. A bidder shall submit a bid price for all service items and complete the Bid Offer Form in its entirety to be considered responsive; and

2. In the case of a tie, award shall be made to the current service provider provided that it is one of the tied bidders and whose performance under the current contract indicates that the current service provider is responsible. If the current service provider is not a tied bidder, award shall be determined by the flip of a coin or some other random means of selection.

The Contract awarded resulting from this solicitation is subject to the approval by the Department of Human Resources Development of the exemption for contractual services, Department of the Attorney General, and other approvals as required by the statutes, regulations, rules, orders or other directives.

Services shall not be undertaken by the Successful Bidder until receipt of the HPHA's Notice to Proceed. The HPHA shall not be liable for any work, contract, costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the date of the Notice to Proceed.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with applicable rules and statutes. The Successful Bidder receiving an award shall be required to enter into a formal written contract with the HPHA. The General Conditions of the resulting Contract are attached and service specifications are included herein. See Attachments 9 and 10.

XX. Protests

An actual or prospective bidder may protest the solicitation or award of services only for a serious violation of procurement policies and operational procedures. Only the following matters may be protested:

1. A state purchasing agency's failure to follow procedures established by chapter 103D, HRS;
2. A state purchasing agency's failure to follow rules established by chapter 103D, HRS; or
3. A state purchasing agency's failure to follow procedures, requirements, or evaluation criteria in the solicitation issued by the state purchasing agency.

Pursuant to section 103D-701, HRS, an actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. A protest shall be submitted in writing within five (5) business days after the aggrieved person knows or should have known of the facts giving rise thereto; provided that a protest of an award or proposed award shall be submitted within five (5) business days after the posting of award of the Contract. The Notice of Protest shall be mailed by USPS or hand delivered to the Head of the State Contracting Agency conducting the protested procurement and the Procurement Officer who is conducting the procurement. Delivery services other than USPS shall be considered hand deliveries and considered submitted on the date of actual receipt by the State Contracting Office.

Specifications

Section 2 Specifications

I. Introduction

A. Purpose or Need

The Hawaii State Legislature established the Hawaii Public Housing Authority (HPHA) under chapter 356D, HRS. The HPHA is a public body and a body corporate and politic and is attached to the Department of Human Services for administrative purposes only. The HPHA's role is to address the housing needs of low income families of Hawaii. The purpose of this IFB is to competitively procure custodial services for the HPHA Administrative Offices located on Oahu.

B. Area of Service

The Successful Bidder shall be required to provide services to all of the HPHA Administrative Offices located at 1002 North School Street, Honolulu, Hawaii 96817. See Attachment 13 – Property Map.

C. Funding Source and Period of Availability

Funds are subject to appropriation by the State Director of Finance and/or United States Congress and allocation by the Governor, State Legislature and/or United States Department of Housing and Urban Development. Funding and period of availability may change upon notice by the STATE to the HPHA.

It is understood that no award shall be binding, unless the HPHA and/or the State Comptroller indicates that there is available and unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the Contract. A Contract entered into as a result of this IFB is binding only to the extent that funds are certified as available and received by HPHA. The availability of funds in excess of the amount certified as available shall be contingent upon future appropriations or special fund revenues.

If there should be insufficient funds for any portion of the remainder Contract period beyond the initial 12-month period, the STATE may terminate the Contract or revise the amount/quantity of services required without penalty. Services will be reduced or rescheduled at the same bid price.

The HPHA reserves the right to pay for the service using available State and/or Federal funding sources. All additional services purchased under the terms of the Contract awarded resulting from this IFB shall be at the same accepted bid offer rates.

The use of Federal funds may require the prior written approval of the HUD.

II. General Requirements

A. Qualifying Requirements

1. The Successful Bidder shall comply with the chapter 103D, HRS, Cost Principles for Purchase of Goods and Services.
2. The Successful Bidder must have no outstanding balances owing to the HPHA. Exceptions may be granted by the Executive Director of the HPHA for debts recently acquired and for debts which have a repayment plan approved by the Executive Director of the HPHA.
3. The Successful Bidder shall, upon award of the Contract, furnish proof of compliance with the requirements of section 3-122-112, HAR:
 - a. Chapter 237, HRS, tax clearance;
 - b. Chapter 383, HRS, unemployment insurance;
 - c. Chapter 386, HRS, workers' compensation;
 - d. Chapter 392, HRS, temporary disability insurance;
 - e. Chapter 393, HRS, prepaid health care; and
 - f. One of the following:
 - i. The Successful Bidder shall be registered and incorporated or organized under the laws of the State of Hawaii as a "Hawaii business" as follows:

Hawaii business. A business entity referred to as a "Hawaii business" is registered and incorporated or organized under the laws of the State of Hawaii. As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder's status as sole proprietor or other business entity and its

business street address indicated on page 1 of the Successful Bidder's Bid Offer Form will be used to confirm that the Successful Bidder is a Hawaii business; or

- ii. The Successful Bidder shall be registered to do business in the State of Hawaii as a "compliant non-Hawaii business" as follows:

Compliant non-Hawaii business. A business entity referred to as a "compliant non-Hawaii business," is not incorporated or organized under the laws of the State of Hawaii, but is registered to do business in the State. As evidence of compliance, the Successful Bidder shall submit a *CERTIFICATE OF GOOD STANDING*.

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

4. Certifications of Eligibility

Bidders may submit the following documents with their bid offer to the HPHA to demonstrate compliance with Federal and State laws:

- a. Tax Clearance, Form A-6;
- b. Department of Labor and Industrial Relations, Application for Certification of Compliance, Form LIR #27; and
- c. Certificate of Good Standing issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG).

Instead of separately applying for these (paper) certificates at the various State and Federal agencies, the HPHA recommends that bidders use the Hawaii Compliance Express (HCE), which allows business to register online through a simple wizard interface at:

<http://vendors.ehawaii.gov/hce/splash/welcome.html>

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a "Certificate of Vendor Compliance" with current compliance status as of the issuance

date, accepted for both contracting purposes and final payment. Bidders electing to use the HCE services will be required to pay an annual subscription fee of \$12.00 to the HIC.

5. Indemnification

The Successful Bidder shall defend, indemnify, and hold harmless the State of Hawaii, the HPHA, its elected and appointed officials, officers, and employees from and against all liability, loss, damage, cost, and expense, including all attorney fees and all claims, suits, and demands arising out of or resulting from the acts or omissions of the Successful Bidder or the Successful Bidder's officers, employees, agents or subcontractors.

6. Fidelity Bond

The Successful Bidder shall obtain and maintain, at its sole expense during the term of this Contract, a fidelity bond which includes third party liability in a minimum of \$500,000.00. The fidelity bond shall cover all officers, employees, and agents of the Successful Bidder and which shall protect the Successful Bidder against loss by reason of, including, without limitation, fraud, dishonesty, forgery, theft, larceny, embezzlement, wrongful abstraction or misappropriation or any other dishonest criminal or fraudulent act, whatever committed and whether committed directly or with others.

The Successful Bidder shall furnish at no cost or expense to the HPHA a certificate of such coverage within 30 days from the award of the Contract.

The Successful Bidder agrees to deposit with the HPHA a valid certificate necessary to satisfy the HPHA that the Successful Bidder is in compliance with the fidelity bond provisions of the Contract and shall keep such bond in effect and the certificate on deposit with the HPHA during the entire term of the Contract.

Failure of the Successful Bidder to provide and keep in force such fidelity bond shall be regarded as material default under the Contract. The HPHA shall be entitled to exercise any or all of the remedies provided in the Contract for such default of the Successful Bidder.

7. Insurance Requirements
