Said bid shall only be opened if there is clear evidence that the bid was received at the HHPA by the posted due date and time and that the bid was not opened during the posted bid opening date and time.

X. Additional Materials and Documentation

Interested bidders registered with the HHPA using the IFB Registration Form will be notified of all amendments through written communication which may include electronic mail, facsimile, or USPS.

The IFB may be canceled and any or all bids may be rejected in whole or in part at the sole discretion of the HHPA when it is determined to be in the best interest of the State.
XIII. Costs for Bid Preparation

Interested bidders shall agree that the HPHA is provided with the authorization(s) necessary to verify information provided in the Bid Offer Form.

Bidder shall submit the original signed written notice and modification to the HPHA Central Files Office within two (2) working days of receipt of the facsimile or the electronic transmittal. If the written notice is submitted less than two (2) working days prior to the established due date and time for the receipt of bid offers, the bidder shall submit the original signed written notice and the modification to the HPHA Central Files Office no later than the established due date and time for receipt of bid offers.

Modified bid offers shall be submitted in a sealed envelope identified as a modified sealed bid in response to this IFB, IFB No. PMB-2021-09.

Any notice of withdrawal or notice of modification of a bid with the actual modification is considered late when received by the HPHA after the established due date and time.

A late modification will not be considered for award.

Acceptance of a late withdrawal request shall be at the sole discretion of the HPHA Procurement Officer.

XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected or withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the State or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with chapter 3-122, HAR and the HUD requirements pursuant to HUD Handbook 7460.8.

XVIII. Rejection of Bids

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. All bids offering terms and conditions contradictory to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:

1. **Unreasonable in Price:** A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced:** A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.
All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions shall be determined non-responsive.

XIX. Notice of Award

An award, if made, shall be as follows:

1. Awarded to the responsible and responsive bidder submitting the lowest Grand Total Bid Price on the Bid Offer Form for Group A and/or Group B. See Attachment 1. The bid price shall be inclusive of all administrative and personnel costs, applicable taxes, and any other costs incurred in the performance of the Contract; and

2. In the case of a tie, award shall be determined by the flip of a coin or some other random means of selection.

Any Contract awarded resulting from this solicitation is subject to the approval of the Department of the Attorney General and other approvals as required by the statutes, regulations, rules, orders or other directives.

For awards totaling $100,000 or more for the furnishing and delivery of the new vehicles requested under this IFB, the State shall forward to the Successful Offeror a formal Contract to be signed by the Contractor and returned within ten (10) days. No work is to be undertaken by the Contractor prior to the commencement date specified on the Notice to Proceed issued by the State upon execution of the contract by both parties. The State shall not be liable for any work, contract, costs, expenses, loss of profits, or any damages whatsoever incurred by the Contractor prior to the official commencement date. A formal Contract shall executed for the preventive maintenance services.

For awards totaling $100,000 or less, the State reserves the option of issuing a Purchase Order in place of a formal contract. The issuance of a purchase order does not waive compliance with the Specifications, Special Provisions and General Conditions incorporated in this solicitation. The State shall not be liable for any work, contract, costs, expenses, loss of profit, or any damages whatsoever incurred by your company prior to receipt of the purchase order.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with applicable rules and statutes.
XX. Protests

B. A state purchasing agency's failure to follow rules established by Chapter 103D, HRS; or

A protest shall be submitted in writing within five (5) working days after the aggrieved person knows or should have known of the facts giving rise thereto; provided that a protest of an award or proposed award shall be submitted within five (5) working days after the posting of award of the Contract. The Notice of Protest shall be mailed by USPS or hand delivered to the Head of the State Contracting Agency conducting the protested procurement and the Procurement Officer who is conducting the procurement. Delivery services other than USPS shall be considered hand deliveries and considered submitted on the date of actual receipt by the State Contracting Office.

(END OF SECTION)
Section 2
Specifications

I. Introduction

A. Purpose or need

The Hawaii State Legislature established the Hawaii Public Housing Authority (HPHA) under Chapter 356D, HRS. The HPHA is a public body and a body corporate and politic and is attached to the Department of Human Services for administrative purposes only. The HPHA's role is to address the housing needs of low income families of Hawaii. The purpose of this IFB is to competitively procure for the HPHA new flatbed trucks for Oahu, Maui and Hawaii Island and a new sport utility vehicle for Oahu.

B. Funding source and period of availability

Funds are subject to appropriation by HUD, the State's Director of Finance and/or allocation by the Governor and/or State Legislature. Funding and period of availability may change upon notice by the State to the HPHA.

It is understood that an award shall not be binding unless the HPHA is able to indicate that there is available an unexpended appropriation or balance of an appropriation over and above all outstanding contracts sufficient to cover the amount required by the Contract. Any Contract entered into as a result of this IFB is binding only to the extent that funds are certified as available and that the availability of funds in excess of the amount certified as available shall be contingent upon future appropriations or special fund revenues. Any use of Federal funds may require the prior written approval of HUD.

The HPHA reserves the right to pay for vehicles using available federal or non-federal sources.

II. General Requirements

A. Bidder's Qualifications

1. The Successful Bidder must have no outstanding balances owing to the HPHA. Exceptions may be granted by the Executive Director of the HPHA for debts recently acquired and for debts which have a repayment plan approved by the Executive Director of the HPHA.
2. The Successful Bidder shall, upon award of the Contract, furnish proof of compliance with the requirements of section 3-122-112, HAR:

a. Chapter 237, HRS, tax clearance;
b. Chapter 383, HRS, unemployment insurance;
c. Chapter 386, HRS, workers’ compensation;
d. Chapter 392, HRS, temporary disability insurance;
e. Chapter 393, HRS, prepaid health care; and

As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder’s status as sole proprietor or other business entity and its business street address indicated on the Successful Bidder Form page 1 will be used to confirm that the Successful Bidder is a Hawaii business; or

ii. The Successful Bidder shall be registered to do business in the State of Hawaii as a “compliant non-Hawaii business” as follows:

As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING.

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

http://vendors.ehawaii.gov/hce/splash/welcome.html

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a “Certificate of Vendor Compliance” with current compliance status as of the issuance date, accepted for both contracting purposes and final payment. Bidders electing to use the HCE services will be required to pay an annual subscription fee of $12.00 to the HIC.

Therefore, all prospective Offerors who are interested in selling vehicles to the State of Hawaii shall provide proof that they meet and satisfy the licensing requirement set for in said statute by listing the license number in the space provided on the Offer Form.

Section 437-2(e) provides that, notwithstanding any provisions of Chapter 437, HRS, the authority of any State agency to purchase motor vehicles for State use from any dealer licensed under Chapter 437 shall not be limited or conditioned.
