Mistakes in bids shall be handled in accordance with chapter 3-122-31, HAR.

Any bid offering any other set of terms and conditions contradictory to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:

1. Unreasonable in Price: A bid is unreasonable in price, if the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced or it is determined to be unreasonable in price, including not only the total price of the bid, but the prices for individual items as well.

2. Materially unbalanced: A bid is materially unbalanced, if there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bidding is at a very high price for the first item and extremely low for subsequent items.
All bid offers submitted in a manner which alters the bid offer form or does not conform to the format and instructions provided shall be rejected and deemed non-responsive.

Any bid offer submitted using re-created forms or other forms shall be rejected and deemed non-responsive.

(2) In the case of a tie, the bid shall be awarded: 1) to the present Contractor, if it is one of the tied bidders and whose previous business and/or performance indicate that it was responsible; or 2) if there is no present Contractor or if the present Contractor is not a tied bidder, by the flip of a coin or some other random means of selection.

Any Contract arising out of this solicitation is subject to the approval of the Department of the Attorney General as to form, and to all further approvals as required by statute, regulation, rule, order or other directive.

No work is to be undertaken by the Successful Bidder prior to issuance of the Notice to Proceed. The HPHA shall not be liable for any work, contract costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the starting date.

In accordance with chapter 3-122-112, HAR, Responsibility of Offeror, the Successful Bidder shall produce documents to the procurement officer to demonstrate compliance with applicable rules and statutes. The Successful Bidder receiving an award shall be required to enter into a formal written Contract with the HPHA. The General Conditions of the Contract are attached and service specifications are included herein. See Attachments 3 through 8.
