### V. Pre-Bid Video Conference and Site Inspection

Interested bidders are strongly encouraged to attend the Pre-Bid Video Conference scheduled at 9:00 a.m. HST on Wednesday, March 2, 2022. Please contact the IFB coordinator for video conference information. The HPHA will conduct a site inspection of the properties beginning at approximately 10:15 a.m. HST or at the conclusion of the Pre-Bid Video Conference. Interested bidders are
strongly encouraged to attend the Pre-Bid Video Conference and site inspection. Attendance to the Pre-Bid Video Conference and site inspection is not required in order to submit a bid offer.

To comply with the Governor’s Executive Order No. 21-07 (Access to State Property) requiring all Contractors and visitors to attest to their vaccination status against COVID-19 or be subject to a testing program mandate, the HPHA is implementing the following procedures:

- Each attendee shall provide verification of being fully vaccinated or, if not fully vaccinated, shall produce a negative test result of a COVID-19 test as a condition to being allowed to enter the property.

- Attendees will be allowed to provide verification of being fully vaccinated or, if not fully vaccinated, their negative test result by showing official documentation evidencing their vaccination status or negative test result of a COVID-19 test;

An acceptable COVID-19 test is a diagnostic or screening test for SARS Cov-2 administered or observed by a laboratory, testing site, or healthcare provider or facility or authorized agent of the laboratory, testing site, or healthcare provider or facility of a sample taken not more than 72 hours prior to entry of property.

Prior to submittal of the bid, interested bidders may visit the properties to thoroughly familiarize themselves with existing conditions and the nature of work to be performed. Interested bidders shall contact the IFB Coordinator to arrange for a site inspection until Thursday, March 17, 2022. No additional compensation shall be allowed due to any misunderstanding or error regarding the conditions/layout or work to be performed at the properties.

Impromptu questions will be permitted at the Pre-Bid Conference and verbal answers will be provided. Verbal answers provided by the HPHA are not binding and are only intended as general guidance purposes. Formal written responses to substantive questions will be provided to each registered interested bidder as set forth in Section VI below. All changes to the IFB will be issued as an addendum to the IFB.

VI. Submission of Questions

Interested bidders may submit written questions to the IFB Coordinator identified in paragraph III of Section I of this IFB. The deadline for submission of written questions is Wednesday, March 2, 2022. All written questions will receive a written response from the HPHA. The HPHA’s response to written questions shall be issued in an addendum and sent to all registered interested bidders via mail, electronic mail, or facsimile not later than Friday, March 4, 2022.
VII. Submission of Sealed Bids

A. Forms/Formats. The Bid Offer Form is attached in Section 5 of this IFB. See Attachment 2.

Bidders shall follow the U.S. Department of Housing and Urban Development’s Instructions to Offerors Non-Construction form HUD 5369-B and Certifications and Representations of Offers Non-Construction Contract, Form HUD 5369-C. The instructions can be downloaded from HUDClips at www.hudclips.org and are attached in Section 5 of this IFB. See Attachments 11 and 12.

Other methods of delivery services shall be considered hand deliveries and considered submitted on the actual date and time received at the HPHA Central Files Office. Sealed bids post-marked prior to the specified bid due date and time but received after the specified bid due date and time shall be considered late and shall be rejected. Electronic mail or facsimile submissions of the Bid Offer shall not be accepted.

Bid offers shall be submitted in a sealed envelope identified as a sealed bid in response to this IFB (IFB No. PMB-2022-04). Any bid document submissions not sealed and identified with the IFB number on the envelope or submitted via electronic mail or facsimile shall be automatically rejected. There shall be no exceptions to this requirement.

C. Wages and Labor Law Compliance. Prior to entering into a Contract in excess of $25,000, the Successful Bidder shall certify compliance with section 103-55, HRS, Wages, hours, and working conditions of employees of contractors performing services. Section 103-55, HRS, provides that the services to be performed shall be performed by employees paid at wages not less than wages paid to public officers and employees for similar work. Bidders are further advised that in the event of an increase in wages for public employees performing similar work during the period of the Contract, the Successful Bidder shall be obligated to provide wages not less than those increased wages. Bidders shall complete and submit the attached Wage Certification certifying that the services required will be performed pursuant to section 103-55, HRS. See Attachment 1.

The Successful Bidder shall be obligated to notify his/her employees performing work under the Contract of the provisions of section 103-55, HRS, and current wage rates for public employees performing similar work. The Successful Bidder may meet this obligation by posting a notice to this
effect at the Successful Bidder's place of business in an area accessible to all employees.

D. Confidential Information. If a bidder believes that any portion of a bid contains information that should be withheld as confidential, the bidder may request in writing for nondisclosure of designated proprietary data and provide justification to support confidentiality. Such data shall accompany the bid, clearly marked, and shall be readily separable from the bid documents to facilitate eventual public inspection of the non-confidential sections of the bid documents. Nondisclosure of requested information is subject to chapter 92F, HRS, and is discoverable unless exempted by law. **Note that price is not considered confidential and shall not be withheld.**

VIII. Discussion with Bidders Prior to Bid Submission

Discussions may be conducted with potential bidders to promote understanding of the HPHA requirements.

IX. Opening of Bids

All bid submissions shall be date and time stamped by the HPHA upon receipt of the bid submittal at the designated location. Bid submissions include bid offers, modifications to bids, and withdrawals of bid offers. All bid submissions received shall be held in a secure place by the HPHA and shall not be opened and examined for evaluation purposes until after the bid opening. Procurement files shall be open to public inspection **after a Contract has been awarded and executed by all parties.**

Sealed bids received by the due date and time shall be opened publicly. Public bid opening will commence at 10:15 a.m. HST, Tuesday, March 22, 2022 at the HPHA Contract and Procurement Office, 1002 North School Street, Building D, Honolulu, Hawaii 96817.

In the unlikely event that the HPHA receives a bid that is misplaced or mishandled through no fault of the bidder, the HPHA shall publicly open the bid as soon as possible, inform all bidders about the additional bid and the bid price. Said bid shall only be opened if there is clear evidence that the bid was received at the HPHA by the posted due date and time and that the bid was not opened during the posted bid opening date and time.

X. Additional Materials and Documentation

Bid samples or descriptive literature should not be submitted. Any unsolicited documentation, literature, samples, or brochures received as part of the bid
submission shall not be examined or tested and will not be deemed to vary any of the provisions of the IFB.

**XI. IFB Amendments**

The HPHA reserves the right to amend this IFB at any time prior to the closing date for the final revised bids or as allowed under Chapter 3-122, HAR. Interested bidders registered with the HPHA using the IFB Registration Form will be notified of all amendments through written communication which may include electronic mail, facsimile, or United States Postal Services (USPS) mail.

**XII. Cancellation of the Invitation for Bids**

The IFB may be canceled and any or all bids may be rejected in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

**XIII. Costs for Bid Preparation**

All costs incurred by bidders in the preparation and submission of bids are the sole responsibility of the bidders. All costs incurred by the Successful Bidder prior to the execution of a Contract are not eligible for reimbursement.

Costs incurred in connection with the review, inspection and verification of information provided in the Bid Offer Form shall be the sole responsibility of the bidder.

Bidders shall agree that the HPHA is provided with the authorization(s) necessary to verify information provided in the Bid Offer Form.

**XIV. Modification of Bids**

Bids submitted may be modified prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

(1) A written notice accompanying the actual modification received in the HPHA Central Files Office, stating that a modification to the bid is submitted; or

(2) A facsimile or electronic written notice submitted either by facsimile machine or electronic mail to the IFB Coordinator. Bidder shall submit the original signed written notice and modification to the HPHA Central Files Office within two (2) business days of receipt of the facsimile or the electronic transmittal. If the written notice is submitted less than two (2) business days prior to the established due date and time for the receipt of bid offers, the bidder shall submit the original signed written notice and the
modification to the HPHA Central Files Office not later than the established due date and time for receipt of bid offers.

Modified bid offers shall be submitted in a sealed envelope identified as a modified sealed bid in response to this IFB (IFB No. PMB-2022-04).

XV. Withdrawal of Bids

Bids submitted may be withdrawn prior to the established due date and time by the following documents in accordance with section 3-122-16.07, HAR:

(1) A written notice received by the IFB Coordinator; or

(2) A notice by facsimile machine or electronic mail to the IFB Coordinator.

XVI. Late Withdrawal and Late Modification

Any notice of withdrawal or notice of modification of a bid with the actual modification is considered late when received by the HPHA after the established due date and time.

A late modification will not be considered for award.

Acceptance of a late withdrawal request shall be at the sole discretion of the HPHA Procurement Officer.

XVII. Mistakes in Bids

While bidders are bound by their bids, circumstances may arise where a correction or withdrawal of bids is proper. An obvious mistake in a bid may be corrected, withdrawn, or waived by the HPHA to the extent that it is not contrary to the best interest of the State or to the fair treatment of other bidders. Mistakes in bids shall be handled in accordance with Chapter 3-122, HAR and the HUD requirements pursuant to HUD Handbook 7460.8 REV 2.

XVIII. Rejection of Bids

The HPHA reserves the right to consider as acceptable only those bids submitted in accordance with all requirements set forth in this IFB and demonstrate an understanding of the service specifications. All bids offering terms and conditions contradictory to those included in this IFB may be rejected without further notice.

A bid may be automatically rejected if it is:
1. **Unreasonable in Price:** A bid is unreasonable in price, if a) the bid price when compared with price submissions of other prospective bidders, prior contract prices, and/or prices available on the open market is grossly unbalanced, or b) the bid is determined by the HPHA to be unreasonable in price, including the total bid price and unit prices.

2. **Materially unbalanced:** A bid is materially unbalanced, if a) there is a reasonable doubt that the bid would result in the lowest overall cost, even though it is the lowest bid, or b) the bid is so grossly unbalanced that its acceptance would be tantamount to allowing an advance payment. An example of a materially unbalanced bid is one where the bid is set at a very high price for the first item and subsequent items are set at extremely low prices.

All bid offers submitted not using the prescribed Bid Offer Form as provided in this IFB or does not conform to the bid submission instructions may be determined non-responsive.

The HPHA reserves the right to reject bid offers in whole or in part at the sole discretion of the HPHA when it is determined to be in the best interest of the State.

**XIX. Notice of Award**

An award, if made, shall be as follows:

1. Awarded to the responsive and responsible bidder submitting the lowest Grand Total Bid Price as stated on the Bid Offer Form. The Grand Total Bid Price is the sum of the 36-month Total Bid Prices for all properties to include gate guard, roving patrol, special events, and administrative and/or judicial hearing hours as solicited. See Attachment 2. The unit bid price shall be inclusive of all administrative and personnel costs, applicable taxes, and any other costs incurred in the performance of the contracted services. A bidder shall submit a bid price for all services and complete the Bid Offer Form in its entirety to be considered responsive and eligible for award. The award of a contract shall not be deemed as a commitment on the part of the HPHA to automatically exercise any option period; and

2. In the case of a tie, an award shall be made to the current service provider provided that it is one of the tied bidders and whose performance under the current contract indicates that the current service provider is responsible. If the current service provider is not a tied bidder, an award shall be determined by the flip of a coin or some other random means of selection.
The Contract awarded resulting from this solicitation is subject to the approval of the Department of the Attorney General and other approvals as required by the statutes, regulations, rules, orders or other directives.

No work shall be undertaken by the Successful Bidder prior to the Contract start date of April 30, 2022. The HPHA shall not be liable for any work, Contract costs, expenses, loss of profits, or any damages whatsoever incurred by the Successful Bidder prior to the start of the Contract.

In accordance with section 3-122-112, HAR, Responsibility of Offerors, the Successful Bidder shall produce documents to the Procurement Officer to demonstrate compliance with applicable rules and statutes. The Successful Bidder receiving an award shall be required to enter into a formal written contract with the HPHA. The General Conditions of the resulting Contract are attached and service specifications are included herein. See Attachments 9 and 10.

XX. Protests

An actual or prospective bidder may protest the solicitation or award of services only for a serious violation of procurement policies and operational procedures. Only the following matters may be protested:

1. A state purchasing agency’s failure to follow procedures established by chapter 103D, HRS;

2. A state purchasing agency’s failure to follow rules established by chapter 103D, HRS; or

3. A state purchasing agency’s failure to follow procedures, requirements, or evaluation criteria in the solicitation issued by the state purchasing agency.

Pursuant to section 103D-701, HRS, an actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. A protest shall be submitted in writing within five (5) business days after the aggrieved person knows or should have known of the facts giving rise thereto; provided that a protest of an award or proposed award shall be submitted within five (5) business days after the posting of award of the Contract. The Notice of Protest shall be mailed by USPS or hand delivered to the Head of the State Contracting Agency conducting the protested procurement and the Procurement Officer who is conducting the procurement. Delivery services other than USPS shall be considered hand deliveries and considered submitted on the date of actual receipt by the State Contracting Office.
XXI. Availability of Funds

All bidders and the Successful Bidder are hereby notified that the award of a Contract and any subsequent Contract renewal or extension are subject to allotments made by the Director of Finance, State of Hawaii, pursuant to chapter 37, HRS, and are subject to the availability and allocation of State and/or Federal funds. The HPHA shall retain the authority to cancel an award and/or not exercise the option periods due to the lack of available funds.

Nothing in this IFB shall be construed to obligate the State of Hawaii or the HPHA to pay for the services at federal public housing properties with State funds.

XXII. Monitoring and Evaluation

The Successful Bidder’s performance of the Contract will be monitored and evaluated by the Officer-in-Charge and the HPHA Contract Administrator or their designated representative(s). The HPHA shall provide the Successful Bidder with a copy of monitoring reports for their information and to take corrective action as appropriate.

Failure to comply with all material terms of the Contract may be cause for suspension or termination as provided in the General Conditions. The Successful Bidder may be required to submit additional written reports, including a corrective action plan, in response to monitoring conducted by the HPHA. These additional reports shall not be considered a change to the Scope of Work of the Contract and shall continue for the duration of time as deemed necessary by the HPHA.

XXIII. General and Special Conditions of Contract

The State General Conditions, AG-008 103D General Conditions are attached for bidder’s information and reference. See Attachment 9. The State General Conditions may be found on the SPO website at www.spo.hawaii.gov.
The Federal General Conditions, Form HUD 5370-C is provided for bidder’s information and reference. See Attachment 10.

The State and Federal General Conditions shall be incorporated into the Contract with the Successful Bidder. In the event of a conflict between the State and Federal General Conditions, the more restrictive shall apply.

The HPHA may also impose contractually any necessary special conditions deemed necessary. See Attachment 8. In the case of a conflict between the Special Conditions and the General Conditions, the Special Conditions shall apply.

The HPHA reserves the right to make modifications to the scope of work and or reporting requirements arising from unforeseeable conditions.

XXIV. Cost Principles

The HPHA shall utilize standard cost principles in chapter 3-123, HAR, which are available on the State Procurement Office website. Nothing in this section shall be construed to create an exemption from any cost principle arising under the Federal and State laws.

XXV. Campaign Contributions by State and County Contractors Prohibited

If awarded a Contract in response to this solicitation, the Successful Bidder agrees to comply with section 11-355, HRS, which states that campaign contributions are prohibited from a State and County government Contractor during the term of the Contract if the Contractor is paid with funds appropriated by the legislative body between the execution of the Contract through the completion of the Contract.

The use of federal funds may require the prior written approval by HUD.

3. The Successful Bidder shall, upon award of the Contract, furnish proof of compliance with the requirements of section 3-122-112, HAR:

As evidence of compliance, the Successful Bidder shall submit a CERTIFICATE OF GOOD STANDING issued by the Department of Commerce and Consumer Affairs Business Registration Division (BREG). A Hawaii business that is a sole proprietorship, however, is not required to register with the BREG, and therefore not required to submit the certificate. A Successful Bidder’s status as sole proprietor or other business entity and its business street address indicated on the Successful Bidder Form page 1 will be used to confirm that the Successful Bidder is a Hawaii business; or

The above certificates should be applied for and submitted to the HPHA as soon as possible. If a valid certificate is not submitted on a timely basis for award of a Contract, a bid otherwise responsive and responsible may not receive the award.

4. Certifications of Eligibility

Bidders shall submit the following documents with their bid offer to the HPHA to demonstrate compliance with Federal and State laws:

a. Tax Clearance, Form A-16;
b. Department of Labor and Industrial Relations, Application for Certification of Compliance, Form LIR #27; and

Instead of separately applying for these paper certificates at the various State and Federal agencies, the HPHA recommends that bidders use the Hawaii Compliance Express (HCE), which allows businesses to register online through a simple wizard interface at:

http://vendors.ehawaii.gov/hce/splash/welcome.html

The HCE is hosted by the Hawaii Information Consortium, LLC (HIC) and provides the applicant with a “Certificate of Vendor Compliance” with current compliance status as of the issuance date, accepted for both contracting purposes and final payment. Bidders electing to use the HCE services will be required to pay an annual subscription fee of $12.00 to the HIC.

5. Indemnification

The minimum insurance required shall be in full compliance throughout the entire term of the Contract, including all Supplemental Contracts.

To satisfy the minimum coverage limits required by the Contract, the Successful Bidder may use an umbrella policy in addition to the mandatory insurance policies (i.e., General liability Insurance, Automobile Insurance, and Workers Compensation) provided that the HPHA approves, and the umbrella policy follows the underlying coverage forms.

Upon execution of the Contract and before the effective date of the Contract, the Successful Bidder agrees to deposit with the HPHA, valid certificate(s) of insurance necessary to satisfy the HPHA of the Successful Bidder’s compliance with the insurance provisions of the Contract and to keep such insurance in effect and the certificate(s) on deposit with the HPHA during the entire term of the Contract. Notwithstanding said policy or policies of insurance, the Successful Bidder shall be obliged for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with the Contract.

The HPHA is a self-insured State agency. The Successful Bidder’s insurance shall be primary. Any insurance maintained by the State of Hawaii shall apply in excess of and shall not contribute with insurance provided by the Successful Bidder.

The Successful Bidder will immediately provide written notice to the contracting department or agency should any of the insurance policies evidenced on its Certificate of Insurance form be cancelled, limited in scope, or not renewed upon expiration.
