The implementation date for new allowances shall be July 1.

(e) Implementation of all new allowances or components of allowances, by utility, shall be required when there is more than a ten per cent change in the resulting allowance due to a rate change since the last change was effective. In cases when a utility is granted a substantial rate increase in between the annual review, a mid-year allowance adjustment may be required.

(f) The authority may update the quantity allowances. To update the quantity allowance, dwelling units of various sizes in a sampling of different types of developments shall be surveyed to determine the types of existing equipment as well as to identify any factors affecting energy efficiency. If there is a variance in energy consumption factors within housing projects, the worst case scenario shall be identified and utilized for calculating the

quantity allowances. The authority may, at its option, develop property specific allowances for its properties.

- (1) Allowances for lighting shall be developed by conducting a field survey of a representative sample of dwelling units to determine the number and type of fixtures. The following factors shall be used to determine the kilowatt hour per month allowance for each dwelling unit size:
 - (A) The number of fixtures;
 - (B) Watts per fixture; and
 - (C) Estimated hours of use per day.
- (2) Allowances for miscellaneous electric equipment shall be based upon usage of a television, radio, miscellaneous small appliances, and a fan.
- (3) The allowance for refrigerators is based on the equipment in place at the time of survey.
- (4) Allowances for cooking shall be based on the equipment in place at the time of survey.
- (5) Allowances for electric domestic hot water heating shall be based on engineering calculations for each bedroom size assuming a certain number of occupants. The data used in the calculations include estimated consumption per occupant per day, temperature of incoming water, temperature of hot water supply, efficiency of heater, and energy required to heat water to supply temperature.
- (6) Allowance for solar domestic hot water shall be based on a cost analysis of a domestic hot water heating system.
- (7) Gas consumption allowances shall be developed using the same methodology as the electric consumption allowance.
- (g) The authority shall provide medical disability allowances for tenants who have provided proof of medical necessity to the authority. The initial quantity allowances for medical equipment

shall be determined by taking the equipment's average energy consumption multiplied by the normal frequency of usage. A family may request a utility allowance in excess of the medical disability allowance which, based on need may be approved on a case by case basis. Requests for additional allowances based on medical disability may be made to management verbally or in writing, but shall also be subject to verification from a qualified individual. The authority will evaluate the request and respond to the family within 30 days of the completed request.

(h) A Family may also request individual relief from surcharges for excess consumption of agency-purchased utilities. Requests may be granted on reasonable grounds for utility usage incurred by factors beyond the family's control. Factors to be considered and procedures to be used when evaluating such requests include:

- (1) Evidence that the family's consumption is mistakenly portrayed as excessive due to defects in the meter or errors in the meter reading;
- (2) Evidence that the family's consumption is caused by a characteristic of the dwelling unit or equipment supplied by the authority that is beyond the control of the tenant;
- (3) Evidence that the family's consumption is caused by equipment supplied by the authority that is faulty or otherwise not working properly and causing excessive usage that is beyond the control of the tenant; and
- (4) Any other evidence the authority deems relevant in evaluating requests to increase the utility expense based on any factor that is beyond the control of the tenant.
- (5) Request for any other type of individual relief, including a justification for the request and evidence to support the request, must be made to management in writing. The authority will evaluate the request and

provide the family with a response within 30 days of the completed request.

(i) A family shall pay for utility usage in excess of the applicable utility allowance.

(j) A family shall receive a utility reimbursement when the utility allowance exceeds the total family payment except where:

- (1) The family is paying a flat rent;
- (2) The utility reimbursement would result in a rent due to the authority below the minimum rent as established in section 17-2028-61; or
- (3) The family has received a financial hardship exemption pursuant to section 17-2028-61(b) from the minimum rent payment and reimbursement would result in a balance due from the authority to the household.

(k) If a family resides in a dwelling unit served by authority-furnished utilities and must pay for utility usage in excess of the applicable utility allowance pursuant to subsection (h), where:

- (1) A checkmeter has been installed, the family must pay the excess dwelling unit cost of the relevant utility amount based on the authority's average utility rate as described in subsection (b).
- (2) A checkmeter has not been installed, the family must pay for excess usage resulting from estimated utility consumption attributable to tenant-owned major appliances or to optional functions of authority-furnished equipment according to the schedule described in subsection (b).

 - (B) A court verifies that the applicant is serving on a jury which has been sequestered; or
 - (C) A landlord verifies that the applicant has an existing rental agreement that cannot be breached without causing undue financial hardship.
- (4) The applicant's acceptance of the offer would result in undue hardship not related to consideration of race, color, national origin, or language and the applicant presents evidence which substantiates this to the authority's satisfaction (e.g., inaccessibility to source of current employment or day care facilities).

(e) Not less than fifty per cent of all available dwelling units shall be for applicants without preference and up to fifty per cent of available dwelling units shall be for applicants with preference. When an accessible dwelling unit becomes vacant the authority shall, before offering such dwelling units to an applicant without a disability, offer such dwelling unit:

- (2) The authority approves of the tenant's request to add a household member as an occupant of the dwelling unit.

(b) For families who pay a flat rent pursuant to section 17-2028-62, the authority shall conduct reexaminations as follows:

- (1) At least once every twelve months, the authority shall reexamine the family's composition and any other matter necessary to determine the family's eligibility for continued occupancy; and
- (2) At least once every three years, the authority shall reexamine the family's annual income, assets and any other matter necessary to determine the family's eligibility for continued occupancy.

§17-2028-54 Reexamination results. (a) A family shall be given written notification within a reasonable time, after determination by the staff, of both the family's eligibility for continued occupancy and rent schedule.

(b) A family found ineligible for continued occupancy by the staff shall be required to vacate the dwelling unit unless the ineligibility is due to noncompliance with community service requirements pursuant to 24 C.F.R. Part 960, Subpart F as it existed on October 20, 2022. In such cases of noncompliance with community service requirements, the

rental agreement shall not be renewed at the end of the twelve month term unless:

- (2) The family provides written assurance satisfactory to the authority that the tenant or other noncompliant family member no longer resides in the dwelling unit.

(c) A family aggrieved by the reexamination results may request a hearing pursuant to the authority's grievance procedure as provided in chapter 17-2021. §17-2028-55 Special reexamination. §17-2028-56 Interim rent adjustment. (a) The authority may adjust a family's rent between reexamination if a tenant reports a change in family income. However, adjustments to rent shall not be made for covered families with reduced welfare benefit payments resulting from welfare sanctions for

noncompliance with welfare self-sufficiency and work activity requirements. Adjustments, reflecting a lower rent, shall be made effective on the first of the month following the month the report was made. The authority will not process the rent adjustment if it confirms that the decrease in income will last less than thirty calendar days.

(b) A tenant who has obtained a decrease in rent under this section shall report all income increases to the authority which occur prior to the next reexamination within ten business days of when tenant knows the increase will occur, and rent shall be readjusted accordingly. Any increase in rent shall be effective on the first day of the second month following the month in which the change occurred.

(c) A tenant who fails to report any increase in income after obtaining a decrease in rent under this section shall be subject to a back rent charge retroactive to the month in which the rent increase should have been made pursuant to section 17-2028-58.

(d) A tenant shall report to the authority any changes in family composition. Rent adjustment shall be made between reexaminations when a person with income is added to the family and the rent adjustment shall be effective on the first of the second month following the approved inclusion. (b) The authority may transfer a family to another dwelling unit:

- (1) To prevent overcrowding or underutilization of a dwelling unit as determined by the

authority at the time of the annual or interim reexamination;

- (2) To preserve the purpose for which a project or dwelling unit was specifically developed or designed such as to meet the needs of the elderly or persons with disabilities;
- (3) Based on an emergency where conditions of the dwelling unit, building or project pose an immediate, verifiable threat to life, health or safety of the family;
- (4) For economic reasons affecting the tenant or the authority;
- (5) For administrative reasons determined by the authority including, but not limited to, permitting modernization, renovation, or rehabilitation work and transferring eligible tenants with disabilities from State-aided public housing projects to federally-assisted public housing projects; or
- (6) As a reasonable accommodation.

(c) Tenant transfers may take priority over new admissions.

(d) A family shall be afforded one offer to transfer to a dwelling unit that meets the criteria set forth in subsection (b) above within the same housing project in which the family resides. If such dwelling unit is not available, the family may then be offered a dwelling unit in another housing project under the control of the management unit. If such a dwelling unit is not available, the family may then be offered a suitable dwelling unit on the island on which the family resides. Declining an offer to transfer for good cause as determined by the authority shall not be considered a refusal.

(e) A family requesting a transfer shall not be transferred during periods when eviction proceedings have been initiated or are in process against such family, which includes the issuance of a notice of violation of the rental agreement by the authority for which the authority is seeking eviction, or scheduling a grievance hearing related to same or during any

periods of conditional deferment of eviction action against such family.

(f) A family requesting a transfer, who is not current with rent or other charges, and who does not have an approved payment arrangement shall not be transferred until the situation is resolved to the satisfaction of the authority.

(g) A family shall not be transferred between any federally-assisted housing programs.

(h) The authority may terminate the rental agreement of a family who refuses to transfer as required by the authority. §17-2028-58 Back charges. (a) A family shall pay in full any back charges within ninety days from the date of notification of the back charge; provided that where the family timely reports a change in income to the authority and a back charge results from an increase in income, payment for any back charges shall not be due until ninety days from the date of a completed reexamination or interim rent adjustment. Failure to do so shall result in the termination of the rental agreement.

(b) The authority may, in its discretion, elect to negotiate a reasonable payment arrangement with a family to ensure payment in full of any back charges. When the authority determines not to exercise this discretion, the family shall be responsible for the full balance of back charges as stated in subsection (a) above. §17-2028-59 Rental agreement termination.

(a) A family shall give the authority at least twenty-eight days written notice that the family will vacate the family's dwelling unit prior to the vacate date.

(b) The authority may terminate a rental agreement when the tenant, any member of the tenant's household, or any guest or other person under the tenant's control:

(1) Fails to observe or perform any covenant or obligation of the rental agreement, or rule of the authority or housing project, or law or ordinance of a governmental agency that pertains to or establishes standards of occupancy. This includes but is not limited to the following:

- (A) Serious or repeated violation of the material terms of the rental agreement, including failure to make payments due or fulfill household obligations set forth in the rental agreement;
- (B) Failure to provide family income, assets, employment and composition information and documentation to enable the authority to determine the family's rental rate and eligibility for continued occupancy;
- (C) Family no longer conforms to the occupancy limits as established by the authority for the dwelling unit occupied by the family and the family refuses to move to the first appropriate size dwelling unit offered;
- (D) When requested by the authority due to health and safety, repair, abatement, construction or renovation of the dwelling unit, the family refuses to move;
- (E) Family is ineligible for continued occupancy;
- (F) Failure of a family member to comply with community service requirement

provisions of 24 C.F.R. part 960, subpart F as it existed October 20, 2022, provided that such failure shall result in non-renewal of rental agreement and termination of tenancy at the end of the twelve-month rental agreement term;

- (G) At the time of admission, reexamination, interim or at any other time, the family has submitted false information or has withheld valuable information or has made willful misstatements; and
 - (H) Family fails to accept the authority's offer of a revision to the existing rental agreement.
- (2) Engages in the illegal use of a drug or gives the authority reasonable cause to believe that the illegal use (or pattern of illegal use) of a drug or abuse (or pattern of abuse) of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other tenants;

 - (5) Threatens the health or safety of an employee, contractor or agent of the authority or State;
 - (6) Violates the smoking prohibitions pursuant to section 17-2028-60 on more than three occasions and receives written notice of said violations; provided that if tenant, any member of the tenant's household, or any guest or other person under the tenant's control receives only one violation of section 17-2028-60 in one year, and participates in and completes a smoking

cessation service program within the same year, the authority will clear the one violation and shall not deem the incident as a violation for the following year;

- (7) Fails to maintain utility services;
- (8) Has been convicted of a felony during the term of the tenancy, and the felony is related to the authority's property or funds, the resident association or tenant association's property or funds, homicide, assault, terroristic threatening, firearms, dangerous weapons, kidnapping, sexual assault, extortion, burglary, unauthorized control of propelled vehicle, and criminal property damage. This subsection does not apply to tenant's guest or other person under tenant's control;
- (9) Flees to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;

SUBCHAPTER 5

RENTS, SECURITY DEPOSITS, and OTHER CHARGES

§17-2028-61 Minimum rents. (a) There is established a minimum rent of \$50.00 per month.

(b) The authority shall grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent because of financial hardship attributable only to the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program;
- (2) The family would be evicted because it is unable to pay the minimum rent;
- (3) The income of the family has decreased because of changed circumstances, including loss of employment;
- (4) A death has occurred in the family; and
- (5) Other circumstances determined by the authority or HUD.

(c) If a family requests a financial hardship exemption, the authority shall suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the authority determines whether there is a qualifying financial hardship and whether it is temporary or long term.

(d) When the authority determines that a qualifying financial hardship is temporary, the authority shall reinstate the minimum rent from the beginning of the suspension of the minimum rent ninety days after receiving the exemption request. The authority shall offer a reasonable payment arrangement to the family to ensure payment in full of any back charges.

(e) When the authority determines a qualifying financial hardship is long term, the authority shall exempt the family from the minimum rent requirements

so long as such hardship continues. Such exemption shall apply from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

(f) When the authority determines that there is no qualifying financial hardship exemption, the authority shall reinstate the minimum rent, including back rent owed from the beginning of the suspension. The family shall be responsible for back charges as established in section 17-2028-58 and shall not be eligible for payment arrangements as provided under section 17-2028-58(b). §17-2028-62 Choice of rent. Once a year, the authority shall give each family the opportunity to choose between two methods of determining the monthly tenant rent. The family may choose to pay either a flat rent or income-based rent.

(a) The flat rent shall be the fair market rents ("FMRs") that are determined by HUD, at least annually, pursuant to 24 C.F.R. §888.113 as it existed on October 20, 2022. These FMRs, which include utilities (exclusive of telephone and cable television), are established for dwelling units of various bedroom sizes. Because the FMRs are determined by HUD and the authority has no discretion to amend or change the FMRs, the FMRs shall be established without a public hearing as provided in Section 91-3(d), HRS.

(b) The income-based rent is based on thirty per cent of the family's monthly adjusted income or ten per cent of the family's monthly income, or the minimum rent set forth in section 17-2028-61, whichever is greater.

(1) The income-based rent does not include charges for excess utility consumption or other charges.

- (2) The income-based rent shall not exceed the total tenant payment pursuant to 24 C.F.R. §5.628 as it existed on October 20, 2022, for the family minus any applicable utility allowance for tenant-paid utilities. If the utility allowance exceeds the total tenant payment, the authority shall pay such excess amount (the utility reimbursement) either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the authority pays the utility supplier, the authority shall notify the family of the amount of the utility reimbursement paid to the supplier.
- (3) For purposes of establishing the income-based rent, the authority shall exclude from annual income the earned income of previously unemployed family members and increases in earnings of a family member during participation in any economic self-sufficiency or other job training program as provided for in 24 C.F.R. §960.255 as it existed on October 20, 2022 and the PHA plan.

(c) If a family is unable to pay the flat rent because of financial hardship, the family may at any time request a switch to payment of income-based rent prior to the next annual option to select the type of rent. §17-2028-63 Security deposits. (a) Prior to admission to a housing project, a family shall pay a security deposit in an amount not to exceed one month's rent. The security deposit may be applied to rent or used to repay charges owed to the authority upon the termination of the rental agreement.

§17-2028-63

(b) The authority may charge a non-refundable community facilities maintenance fee of not less than one per cent of the community facilities expenses for rental and use for private functions. Resident associations that are duly recognized by the authority shall be exempt from the payment of this deposit.

OCCUPANCY GUIDELINES

The authority does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom. The Occupancy Guidelines for determining dwelling unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy guidelines, an adult is a person 18 years or older.

All guidelines relate to the number of bedrooms in the dwelling unit. Dwelling units will be so assigned that:

The authority shall consider factors such as family characteristics including sex, age, or relationship, the number of bedrooms and the size of sleeping areas or bedrooms and the overall size of the dwelling unit.
